## Upgraded Part Helps You Make Fast Mag Changes When the Pressure's On

The Vickers Tactical GMR-006 Extended Magazine Release from Tangodown is a simple, drop-in upgrade for the Glock® 43 that makes it easy for the shooter to drop the magazine quickly under stress. Unlike the small factory part that causes many shooters to shift their grip in order to operate the release, the Vickers Tactical button is optimized for fast, positive operation regardless of the size or length of your thumb. The deeply serrated contact surface ensures that once you locate the button, your thumb will not slip, even if your hand is wet. Made of tough reinforced molded polymer Easy to install in a few minutes Requires no other alterations required to pistol Available in four distinctive colors The GMR-006 extended mag release is contoured so it's easy to locate by feel, while the same time it resists unintentional activation, such as when you place your G43 on a hard surface. The Vickers Tactical extended magazine release for Glock 43® is also ambidextrous. Both characteristics provide a valuable advantage on this extremely compact concealed carry pistol.

## Attributes

# Vickers Extended Magazine Release for Glock® 43 Safety Instruction Guide

## Introduction

Thank you for choosing the Vickers Tactical GMR006 Extended Magazine Release for your Glock® 43. This product is designed to enhance your shooting experience by providing a more efficient way to release the magazine. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure your firearm is unloaded before installing or handling the magazine release.
- Use the product only as intended and in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magazine release for any signs of wear or damage.
- Report any unsafe product experiences to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that your hands are dry and clean when operating the magazine release to prevent slipping.
- Avoid using excessive force when pressing the magazine release button.
- Be cautious when placing your Glock® 43 on hard surfaces to prevent unintentional activation of the magazine release.
- Always practice safe handling and storage of your firearm to avoid accidents.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your Glock® 43 is unloaded and pointed in a safe direction.
2. **Remove the Factory Magazine Release:** Using a suitable tool, carefully remove the existing magazine release from the firearm.
3. **Install the Vickers Tactical Extended Magazine Release:**
  - Align the new magazine release with the slot in the firearm.
  - Press it into place until it is securely fitted.
4. **Test the Installation:** Ensure the magazine release operates smoothly and is securely installed before using the firearm.

### Usage

- To release the magazine, press the Vickers Tactical button with your thumb.
- Practice using the magazine release in a safe environment to become familiar with its operation.
- Always ensure that the firearm is pointed in a safe direction when practicing magazine changes.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and polymer materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer needed, consider recycling options if available.

## **Contact Information for Further Support**

For any questions or concerns regarding the Vickers Tactical GMR006 Extended Magazine Release, please consult the manufacturer's website or your local dealer for assistance.

Thank you for prioritizing safety in your shooting practices. Enjoy your enhanced shooting experience with the Vickers Tactical Extended Magazine Release.
