## PERUN HOLSTER BLACK

[Home](#)

The Raven Concealment Systems Perun is their flagship outside-the-waistband (OWB) holster. It is the result of blending the best features of two of our most popular holsters, the Eidolon and the Phantom, to create a highly refined, exceptionally concealable holster. The Perun is designed to be the best modular OWB "pancake" style holster on the market. It has a body-hugging design that rides high for maximum concealment. The body of the holster is only slightly larger than the pistol contained in it. This small size aids in concealment while also making the holster more comfortable while seated in a vehicle. The body-hugging curvature of this holster is accomplished using modular belt loops. Each holster includes three pair of 1.5" belt loops (LH 10 degree cant, RH 10 degree cant, and ambi 0 degree cant), which allow the end-user to configure the ambidextrous holster body for left-handed or right-handed use, with either a 0-degree or 10-degree cant. Retention in the Perun is crisp, defined, and consistent, thanks to innovative design features inside the holster body. The unique retention slider makes adjusting retention as simple as turning up the volume on your stereo. And unlike other holsters that use the traditional "screw through a rubber grommet" style of retention, the Perun's retention will not back off after repeated drawing and re-holstering. The Perun is compatible with most slide-mounted red-dot optics (like the Aimpoint T-1, Trijicon RMR, etc.) and accommodates suppressor-height front sights up to .350" tall. It is also fully compatible with the RCS Balor optic mount. The Glock Perun is compatible with generation 3-5 Glock pistols. The Perun is compatible with all small frame 9mm, .40S&W, and .357sig Glocks. Example, The Glock 17 Perun will fit the corresponding standard full sized pistols such as the .40 G22 and .357 G31. The Glock 19 Perun will fit the corresponding compact sized pistols such as the .40 G23 and .357 G32. Raven Concealment Systems also has Surefire X300U A/B and Streamlight TLR-1HL light compatible Perun LC models available for Glocks. Both the Glock Perun LC for Surefire X300U A/B, and the Glock Perun LC for Streamlight TLR-1HL holsters are compatible with generation 3-5 Glock 9mm/.40S&W/.357 Glock pistols (up to Glock 34/35 length slide) with the weapon light attached. For example, this holster will accommodate a Glock 19, Glock 17, or Glock 34 with the weapon light mounted on it. The muzzle-end of the holster is rounded for comfort, yet has an opening sufficient to accommodate most common after-market extended and threaded barrels (with thread protectors). The opening at the muzzle is also specifically designed to allow foreign objects (like spent casings) to drop out the bottom so that nothing can block your pistol from being safely re-holstered. The ambidextrous holster body has both inboard and outboard full-height body shields. These body shields offer some protection for your pistol from sweat, as well as protecting your skin and cover garments (especially the thin material used for linings in sport coats and suit jackets) from being abraded by the serrations on the rear of the slide. They also enhance safety by helping keep cover garments and other foreign objects from falling into the mouth of the holster while you have your pistol drawn, and aid in proper, safe muzzle orientation during re-holstering. The holster is injection molded from a proprietary, extremely high-strength polymer blend that is significantly more durable than Kydex or Boltaron. Like all RCS products, it is made in the USA, and is backed by our lifetime warranty.

## Attributes

- Name: [RAVEN CONCEALMENT SYSTEMS M&P SHIELD PERUN HOLSTER BLACK](#)
- Manufacturer: [RAVEN CONCEALMENT SYSTEMS](#)
- Product no.: 100030777

# Safety Instruction Guide for PERUN HOLSTERS RAVEN CONCEALMENT SYSTEMS M&P SHIELD PERUN HOLSTER BLACK

## Introduction

Thank you for choosing the PERUN HOLSTERS RAVEN CONCEALMENT SYSTEMS M&P SHIELD PERUN HOLSTER BLACK. This guide provides important safety information and instructions to ensure the safe and effective use of your holster. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure that the holster is used as intended. Follow all instructions to minimize risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, please take immediate action as instructed.
- **Online Shopping:** If purchased online, confirm that the seller complies with safety regulations applicable to physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. Ensure that only responsible adults use the holster.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the holster is compatible with your specific firearm model (Smith & Wesson M&P Shield, M&P Shield 2.0).
- **Retention Adjustment:** Adjust the retention slider to achieve the desired level of retention. Ensure it is secure before use.
- **Holster Positioning:** Position the holster correctly on your body to ensure comfort and accessibility.
- **Avoid Obstructions:** Ensure that the holster is free from obstructions that may interfere with the drawing and reholstering of your firearm.
- **Check for Damage:** Inspect the holster regularly for any signs of wear or damage. Do not use a damaged holster.
- **Safe Handling:** Always handle your firearm safely and responsibly while it is in the holster.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate belt loop configuration (LH 10 degree cant, RH 10 degree cant, or ambi 0 degree cant) for your preference.
- Attach the belt loops securely to the holster body.
- Ensure that the holster is firmly attached to your belt for stability.

### 2. Usage:

- To draw your firearm, grip the holster firmly and use your other hand to draw the firearm smoothly.
- Always point the muzzle in a safe direction when drawing or holstering your firearm.
- When reholstering, ensure that no foreign objects are in the holster and that the firearm is pointed

in a safe direction.

- Be aware of your surroundings and ensure that you have a clear path when drawing or holstering your firearm.

## Disposal Instructions

- **Disposal of the Holster:** If you need to dispose of the holster, please follow local regulations for the disposal of plastic materials.
- **Environmental Consideration:** Do not dispose of the holster in a manner that could harm the environment. Consider recycling if possible.

## Contact Information for Further Support

For any safety inquiries or support related to the PERUN HOLSTERS RAVEN CONCEALMENT SYSTEMS M&P SHIELD PERUN HOLSTER BLACK, please refer to the designated EU contact point associated with this product.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your PERUN HOLSTERS RAVEN CONCEALMENT SYSTEMS M&P SHIELD PERUN HOLSTER BLACK. Thank you for your attention to safety.
