## PERUN HOLSTER BLACK

[Home](#)

The Raven Concealment Systems Perun is their flagship outside-the-waistband (OWB) holster. It is the result of blending the best features of two of our most popular holsters, the Eidolon and the Phantom, to create a highly refined, exceptionally concealable holster. The Perun is designed to be the best modular OWB "pancake" style holster on the market. It has a body-hugging design that rides high for maximum concealment. The body of the holster is only slightly larger than the pistol contained in it. This small size aids in concealment while also making the holster more comfortable while seated in a vehicle. The body-hugging curvature of this holster is accomplished using modular belt loops. Each holster includes three pair of 1.5" belt loops (LH 10 degree cant, RH 10 degree cant, and ambi 0 degree cant), which allow the end-user to configure the ambidextrous holster body for left-handed or right-handed use, with either a 0-degree or 10-degree cant. Retention in the Perun is crisp, defined, and consistent, thanks to innovative design features inside the holster body. The unique retention slider makes adjusting retention as simple as turning up the volume on your stereo. And unlike other holsters that use the traditional "screw through a rubber grommet" style of retention, the Perun's retention will not back off after repeated drawing and re-holstering. The Perun is compatible with most slide-mounted red-dot optics (like the Aimpoint T-1, Trijicon RMR, etc.) and accommodates suppressor-height front sights up to .350" tall. It is also fully compatible with the RCS Balor optic mount. The Glock Perun is compatible with generation 3-5 Glock pistols. The Perun is compatible with all small frame 9mm, .40S&W, and .357sig Glocks. Example, The Glock 17 Perun will fit the corresponding standard full sized pistols such as the .40 G22 and .357 G31. The Glock 19 Perun will fit the corresponding compact sized pistols such as the .40 G23 and .357 G32. Raven Concealment Systems also has Surefire X300U A/B and Streamlight TLR-1HL light compatible Perun LC models available for Glocks. Both the Glock Perun LC for Surefire X300U A/B, and the Glock Perun LC for Streamlight TLR-1HL holsters are compatible with generation 3-5 Glock 9mm/.40S&W/.357 Glock pistols (up to Glock 34/35 length slide) with the weapon light attached. For example, this holster will accommodate a Glock 19, Glock 17, or Glock 34 with the weapon light mounted on it. The muzzle-end of the holster is rounded for comfort, yet has an opening sufficient to accommodate most common after-market extended and threaded barrels (with thread protectors). The opening at the muzzle is also specifically designed to allow foreign objects (like spent casings) to drop out the bottom so that nothing can block your pistol from being safely re-holstered. The ambidextrous holster body has both inboard and outboard full-height body shields. These body shields offer some protection for your pistol from sweat, as well as protecting your skin and cover garments (especially the thin material used for linings in sport coats and suit jackets) from being abraded by the serrations on the rear of the slide. They also enhance safety by helping keep cover garments and other foreign objects from falling into the mouth of the holster while you have your pistol drawn, and aid in proper, safe muzzle orientation during re-holstering. The holster is injection molded from a proprietary, extremely high-strength polymer blend that is significantly more durable than Kydex or Boltaron. Like all RCS products, it is made in the USA, and is backed by our lifetime warranty.

## Attributes

- Name: [RAVEN CONCEALMENT SYSTEMS SIG 320C PERUN HOLSTER BLACK](#)
- Manufacturer: [RAVEN CONCEALMENT SYSTEMS](#)
- Product no.: 100030778

# Safety Instruction Guide for PERUN HOLSTERS RAVEN CONCEALMENT SYSTEMS SIG 320C PERUN HOLSTER BLACK

## Introduction

Thank you for choosing the Raven Concealment Systems Perun Holster. This guide provides important safety information and instructions to ensure the safe and effective use of your holster. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the holster by following the instructions provided. This product is designed for concealed carry of firearms and should be used responsibly.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure the seller complies with EU safety requirements.
- **Special Consumer Focus:** This holster is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer or authorized dealer within the EU.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

## Specific Safety Precautions for Use

- **Proper Handling:** Always treat the holster and firearm as if they are loaded. Keep the muzzle pointed in a safe direction at all times.
- **Secure Fit:** Ensure your firearm is securely fitted in the holster to prevent accidental dislodging.
- **Retention Adjustment:** Regularly check and adjust the retention slider to ensure it is set to your preferred level of security.
- **Cleaning:** Keep the holster clean and free from debris to maintain optimal performance.
- **Avoid Modifications:** Do not modify the holster in any way as it may compromise safety and functionality.

## Instructions for Installation and Usage

### 1. Installation:

- Choose the appropriate belt loop configuration (LH 10 degree cant, RH 10 degree cant, or ambi 0 degree cant).
- Attach the selected belt loops to the holster body securely.
- Ensure the holster is mounted on a sturdy belt that can support the weight of the firearm.

### 2. Usage:

- Insert the firearm into the holster, ensuring it is seated properly.
- Adjust the retention slider to your preference for a secure fit.
- When drawing the firearm, maintain a firm grip on the holster to prevent it from moving.
- Always holster the firearm with the muzzle pointed in a safe direction.

## **Disposal Instructions**

- Dispose of the holster in accordance with local regulations regarding plastic waste.
- Do not incinerate the holster as it may release harmful substances.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Raven Concealment Systems Perun Holster, please refer to the manufacturer or authorized dealer for assistance.
