[Home](#)

At the core of the Eidolon is the holster shell. The shell is precisely fitted to the weapon on the inside and is smooth on the outside to work in conjunction with the body, belt, and clothing -in nearly any carry position- to maximize comfort and concealment. At the same time, the shell provides attachment points for a host of accessories to allow the user to tailor the holster for their specific carry needs. 1.5" belt loop.

# Eidolon Holsters Full Kit Safety Instructions

## Introduction

Thank you for choosing the Eidolon Holsters Full Kit for Glock® by Raven Concealment Systems. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your holster. Please read this document thoroughly before using the product.

## General Safety Guidelines

- Ensure that the holster is compatible with your Glock® model (19, 23, or 32).
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Inspect the holster regularly for any signs of wear or damage.
- Do not modify the holster or use it in a way that is not intended.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before inserting it into the holster.
- Make sure the holster is securely attached to your belt or clothing before carrying your firearm.
- Be aware of your surroundings and ensure that your firearm is properly concealed when in public.
- Avoid placing the holster in positions that may lead to accidental discharge or injury.
- Use the holster only for its intended purpose and with compatible firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable belt for the holster, preferably one that is 1.5 inches wide.
- Slide the holster onto your belt, ensuring that it is positioned for easy access.
- Adjust the holster's retention system to secure your firearm properly.

### 2. Usage:

- To draw your firearm, use a firm grip on the holster and draw the firearm smoothly.
- Ensure that your finger is off the trigger until you are ready to shoot.
- After use, reholster the firearm carefully, ensuring it is secure.

## Disposal Instructions

- Dispose of the holster responsibly at a local waste management facility or recycling center.
- Do not burn the holster as it may release harmful substances.
- Ensure that any accessories or components are also disposed of in accordance with local regulations.
