

MORRIGAN IWB HOLSTERS - RAVEN CONCEALMENT SYSTEMS 1911 GOVERNMENT 5" IWB HOLSTER

[Home](#)

The Morrigan is a revolutionary concealment holster designed specifically for inside-the-waistband carry. While it can certainly be worn forward of the blade of the hip, the Morrigan is best-suited for people who carry their pistol on or behind the blade of the hip. It has an extremely slim, compact profile so as not to add bulk to the dimensions of the firearm. A full-height body shield protects the weapon from sweat, while simultaneously protecting the shooter from scrapes and discomfort caused by sharp edges on the pistol such as slide serrations. The body shield also fully protects the rear sight from snagging or cutting into cover garments while holstered. The exterior of the Morrigan is very smooth and contoured for all-day comfort, but has special features molded into the trigger guard and muzzle area to aid in tucking the rear of the slide and butt of the grip into the body for greater concealability. Retention is adjustable using the innovative 360-degree Velcro wrap, which provides extremely accurate and repeatable retention adjustments without the use of tools. This "tourniquet style" retention provides a very secure fit while still allowing for exceptionally quick presentations of the weapon from the holster. The Morrigan is ambidextrous. It attaches to the shooter's belt using a pair of IWB soft loops (included). The holster is adjustable for ride height and cant, and can be adjusted to conceal a pistol on a variety of body types. And like all RCS products, the Morrigan is made in the USA, and is covered by our unconditional lifetime warranty.

Morrigan IWB Holsters Safety Instruction Guide

Introduction

Thank you for choosing the Morrigan IWB Holster by Raven Concealment Systems. This guide is designed to provide you with essential safety information, usage instructions, and contact information for support. Please read this guide carefully to ensure safe and effective use of your holster.

General Safety Guidelines

- Always ensure the firearm is unloaded before inserting or removing it from the holster.
- Store your holster in a safe location when not in use, away from children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage before each use.
- Ensure that the holster is properly adjusted to fit your body type for maximum safety and comfort.
- Follow all local laws and regulations regarding the carrying of firearms.

Specific Safety Precautions for Use

- Do not attempt to draw your firearm from the holster unless you are in a safe environment.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.
- Avoid wearing loose clothing that may interfere with the holster's retention capabilities.
- Do not modify the holster in any way, as this may compromise its safety features.
- Always use the holster as intended for inside-the-waistband carry.

Instructions for Installation and Usage

1. Attaching the Holster:

- Use the included IWB soft loops to attach the holster to your belt.
- Ensure that the holster is positioned on or behind the blade of the hip for optimal concealment.

2. Adjusting Retention:

- Use the 360-degree Velcro wrap to adjust retention to your preference.
- Test the retention by drawing and reholstering your firearm to ensure it is secure yet accessible.

3. Adjusting Ride Height and Cant:

- Adjust the holster's ride height and cant to suit your comfort and concealment needs.
- Experiment with different positions to find the best fit for your body type.

4. Holstering Your Firearm:

- Ensure the firearm is unloaded before holstering.
- Carefully insert the firearm into the holster, ensuring it is fully seated and secure.

5. Drawing Your Firearm:

- Grip the firearm firmly and draw it smoothly from the holster.
- Always maintain awareness of your surroundings when drawing your firearm.

Disposal Instructions

- Dispose of the holster responsibly according to local regulations.
- If the holster is damaged or no longer in use, consider recycling materials where applicable.

- Do not dispose of the holster in a manner that could pose a risk to others.

Contact Information for Further Support

For any inquiries regarding safety, usage, or warranty information, please refer to the manufacturer's website or customer service resources. Ensure that you have the product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and the safety of those around you is our top priority.
