

# MORRIGAN IWB HOLSTERS - RAVEN CONCEALMENT SYSTEMS SIG P320C IWB HOLSTER

[Home](#)

The Morrigan is a revolutionary concealment holster designed specifically for inside-the-waistband carry. While it can certainly be worn forward of the blade of the hip, the Morrigan is best-suited for people who carry their pistol on or behind the blade of the hip. It has an extremely slim, compact profile so as not to add bulk to the dimensions of the firearm. A full-height body shield protects the weapon from sweat, while simultaneously protecting the shooter from scrapes and discomfort caused by sharp edges on the pistol such as slide serrations. The body shield also fully protects the rear sight from snagging or cutting into cover garments while holstered. The exterior of the Morrigan is very smooth and contoured for all-day comfort, but has special features molded into the trigger guard and muzzle area to aid in tucking the rear of the slide and butt of the grip into the body for greater concealability. Retention is adjustable using the innovative 360-degree Velcro wrap, which provides extremely accurate and repeatable retention adjustments without the use of tools. This "tourniquet style" retention provides a very secure fit while still allowing for exceptionally quick presentations of the weapon from the holster. The Morrigan is ambidextrous. It attaches to the shooter's belt using a pair of IWB soft loops (included). The holster is adjustable for ride height and cant, and can be adjusted to conceal a pistol on a variety of body types. And like all RCS products, the Morrigan is made in the USA, and is covered by our unconditional lifetime warranty.

# Safety Instruction Guide for MORRIGAN IWB HOLSTERS

## Introduction

Thank you for choosing the Morrigan IWB Holster from Raven Concealment Systems. This holster is designed for safe and comfortable inside the waistband carry of your Sig Sauer P320 Compact. This guide provides essential safety instructions and guidelines to ensure the safe use of your holster in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that your holster is suitable for the firearm you intend to carry.
- Always handle your firearm in a safe manner, treating it as if it is loaded at all times.
- Store your holster and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your holster for wear and tear or any damage that may affect its performance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before placing it in the holster.
- Adjust the retention settings according to your preference to ensure a secure fit.
- Be cautious when drawing the firearm from the holster to avoid accidental discharge.
- Avoid wearing the holster in situations where it may be exposed to excessive moisture or extreme temperatures.
- Make sure the holster is properly secured to your belt to prevent it from slipping or falling.
- When wearing the holster, ensure that it does not interfere with your movements or clothing.

## Instructions for Installation and Usage

### 1. Installation of the Holster:

- Attach the IWB soft loops to your belt, ensuring they are securely fastened.
- Adjust the ride height and cant of the holster to find the most comfortable position for your body type.

### 2. Using the Holster:

- Load your firearm only after it has been securely placed in the holster.
- Ensure the firearm is properly seated in the holster before wearing it.
- When drawing the firearm, maintain a firm grip and ensure your finger is off the trigger until you are ready to shoot.
- After use, reholster your firearm with care, making sure it is fully seated in the holster.

### 3. Adjusting Retention:

- Use the 360degree Velcro wrap to adjust the retention of the holster as needed.
- Test the retention by gently shaking the holster to ensure the firearm remains secure.

## **Disposal Instructions**

- When disposing of the holster, ensure that it is done in accordance with local regulations for plastic and polymer materials.
- Do not incinerate the holster, as it may release harmful fumes.
- If the holster is damaged or no longer usable, consider contacting a local waste management facility for proper disposal options.

## **Contact Information for Further Support**

For any inquiries or support regarding the Morrigan IWB Holster, please refer to the contact information provided by the manufacturer. Ensure you have the product details ready for efficient assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of those around you is our top priority. Enjoy using your Morrigan IWB Holster responsibly.
