

MORRIGAN IWB HOLSTERS - RAVEN CONCEALMENT SYSTEMS

RUGER® LC9 IWB HOLSTER

[Home](#)

The Morrigan is a revolutionary concealment holster designed specifically for inside-the-waistband carry. While it can certainly be worn forward of the blade of the hip, the Morrigan is best-suited for people who carry their pistol on or behind the blade of the hip. It has an extremely slim, compact profile so as not to add bulk to the dimensions of the firearm. A full-height body shield protects the weapon from sweat, while simultaneously protecting the shooter from scrapes and discomfort caused by sharp edges on the pistol such as slide serrations. The body shield also fully protects the rear sight from snagging or cutting into cover garments while holstered. The exterior of the Morrigan is very smooth and contoured for all-day comfort, but has special features molded into the trigger guard and muzzle area to aid in tucking the rear of the slide and butt of the grip into the body for greater concealability. Retention is adjustable using the innovative 360-degree Velcro wrap, which provides extremely accurate and repeatable retention adjustments without the use of tools. This "tourniquet style" retention provides a very secure fit while still allowing for exceptionally quick presentations of the weapon from the holster. The Morrigan is ambidextrous. It attaches to the shooter's belt using a pair of IWB soft loops (included). The holster is adjustable for ride height and cant, and can be adjusted to conceal a pistol on a variety of body types. And like all RCS products, the Morrigan is made in the USA, and is covered by our unconditional lifetime warranty.

Morrigan IWB Holsters Safety Instructions

Introduction

Thank you for choosing the Morrigan IWB Holster by Raven Concealment Systems. This holster is designed for inside-the-waistband carry and aims to provide comfort and concealment for your Ruger® LC9 pistol. Please read this safety instruction guide carefully to ensure safe and effective use of your holster.

General Safety Guidelines

- Always ensure that your firearm is unloaded before inserting it into the holster.
- Do not use the holster with any other firearm model unless specified by the manufacturer.
- Regularly inspect the holster for signs of wear or damage. If any damage is found, discontinue use immediately.
- Keep the holster out of reach of children and unauthorized users.
- Always follow local laws and regulations regarding firearm carry and usage.

Specific Safety Precautions for Use

- Ensure that the holster is properly adjusted for retention before use. Loose retention can lead to accidental firearm discharge.
- When drawing your firearm, ensure that your finger is off the trigger until you are ready to shoot.
- Be mindful of your surroundings when carrying your firearm in the holster.
- Avoid wearing the holster in a manner that could lead to accidental contact with the trigger or firearm.
- If you experience discomfort while wearing the holster, adjust its position or remove it immediately.

Instructions for Installation and Usage

1. Attaching the Holster:

- Use the included IWB soft loops to attach the holster to your belt.
- Ensure the holster is positioned either on or behind the blade of the hip for optimal concealment.

2. Adjusting Retention:

- Use the 360degree Velcro wrap to adjust the retention of the holster.
- Make adjustments without the use of tools for convenience and accuracy.

3. Adjusting Ride Height and Cant:

- The holster allows for adjustments in ride height and cant to accommodate different body types.
- Experiment with different settings to find the most comfortable and concealed position for your body shape.

4. Wearing the Holster:

- Ensure that the holster is securely attached and does not shift during movement.
- The smooth exterior should be facing outward for comfort against your body.

5. Drawing the Firearm:

- To draw your firearm, ensure your grip is firm and your finger is off the trigger until you are ready to shoot.
- Practice drawing from the holster in a safe environment to become familiar with the motion.

Disposal Instructions

- Dispose of the holster in accordance with local regulations for plastic products.
- If the holster is damaged beyond repair, ensure it is not usable before disposing of it.

Contact Information for Further Support

For any questions or concerns regarding the Morrigan IWB Holster, please contact the manufacturer directly through their official website or customer service channels. They will provide the necessary assistance and support.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your Morrigan IWB Holster. Always prioritize safety and compliance with local laws while carrying your firearm. Thank you for choosing Raven Concealment Systems. Stay safe!
