

MORRIGAN IWB HOLSTERS - RAVEN CONCEALMENT SYSTEMS

SPRINGFIELD XD-S 4"/3.3" IWB HOLSTER

[Home](#)

The Morrigan is a revolutionary concealment holster designed specifically for inside-the-waistband carry. While it can certainly be worn forward of the blade of the hip, the Morrigan is best-suited for people who carry their pistol on or behind the blade of the hip. It has an extremely slim, compact profile so as not to add bulk to the dimensions of the firearm. A full-height body shield protects the weapon from sweat, while simultaneously protecting the shooter from scrapes and discomfort caused by sharp edges on the pistol such as slide serrations. The body shield also fully protects the rear sight from snagging or cutting into cover garments while holstered. The exterior of the Morrigan is very smooth and contoured for all-day comfort, but has special features molded into the trigger guard and muzzle area to aid in tucking the rear of the slide and butt of the grip into the body for greater concealability. Retention is adjustable using the innovative 360-degree Velcro wrap, which provides extremely accurate and repeatable retention adjustments without the use of tools. This "tourniquet style" retention provides a very secure fit while still allowing for exceptionally quick presentations of the weapon from the holster. The Morrigan is ambidextrous. It attaches to the shooter's belt using a pair of IWB soft loops (included). The holster is adjustable for ride height and cant, and can be adjusted to conceal a pistol on a variety of body types. And like all RCS products, the Morrigan is made in the USA, and is covered by our unconditional lifetime warranty.

Safety Instruction Guide for MORRIGAN IWB HOLSTERS

Introduction

Thank you for choosing the Morrigan IWB Holster by Raven Concealment Systems. This holster is designed for the safe and effective insidethewaistband carry of your Springfield XDS pistol. This guide provides essential safety instructions, usage guidelines, and contact information for further support, ensuring that you can use your holster safely and effectively.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the holster is compatible with your specific firearm model.
- Regularly inspect the holster for wear or damage.
- Do not alter the holster in any way that may affect its performance.
- Store the holster in a secure location away from children and unauthorized users.
- Familiarize yourself with the holster's features before use.

Specific Safety Precautions for Use

- Ensure that the holster is properly adjusted for ride height and cant before wearing.
- Confirm that the retention system is secure and functioning correctly.
- Avoid wearing the holster in situations where it may snag or be exposed to excessive moisture.
- Be cautious when adjusting the holster while wearing it; ensure that your firearm is not in the holster during adjustments.
- Do not attempt to draw your firearm from the holster while seated or in confined spaces where movement may be restricted.
- Always ensure that the firearm is unloaded when inserting or removing it from the holster.

Instructions for Installation and Usage

1. Installation of the Holster

- Attach the holster to your belt using the included IWB soft loops.
- Adjust the ride height and cant to your preference for comfort and accessibility.
- Ensure that the holster is securely fastened to your belt before wearing.

2. Usage of the Holster

- Insert your unloaded firearm into the holster, ensuring it is seated correctly.
- Adjust the retention system using the 360degree Velcro wrap to achieve the desired level of retention.
- Test the fit by drawing the firearm from the holster to ensure it is secure yet allows for a quick draw.
- When wearing the holster, ensure that it is positioned comfortably on your body, either on or behind the blade of the hip.

3. Adjustments

- If you experience discomfort or difficulty accessing your firearm, reevaluate the ride height and cant settings.

- Make adjustments as necessary to improve fit and comfort.

Disposal Instructions

- When disposing of the holster, ensure that it is rendered unusable.
- Dispose of the holster in accordance with local regulations regarding plastic materials.
- Do not dispose of the holster in a manner that may pose a risk to the environment or public safety.

Contact Information for Further Support

For any inquiries regarding safety or product concerns, please contact the manufacturer directly. Ensure that you have your product details available for reference.

By following these safety instructions and guidelines, you can ensure the safe use of your Morrigan IWB Holster. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important details.
