

MORRIGAN IWB HOLSTERS - RAVEN CONCEALMENT SYSTEMS

GLOCK® 19/33 W/SUREFIRE XC1 IWB HOLSTER

[Home](#)

The Morrigan is a revolutionary concealment holster designed specifically for inside-the-waistband carry. While it can certainly be worn forward of the blade of the hip, the Morrigan is best-suited for people who carry their pistol on or behind the blade of the hip. It has an extremely slim, compact profile so as not to add bulk to the dimensions of the firearm. A full-height body shield protects the weapon from sweat, while simultaneously protecting the shooter from scrapes and discomfort caused by sharp edges on the pistol such as slide serrations. The body shield also fully protects the rear sight from snagging or cutting into cover garments while holstered. The exterior of the Morrigan is very smooth and contoured for all-day comfort, but has special features molded into the trigger guard and muzzle area to aid in tucking the rear of the slide and butt of the grip into the body for greater concealability. Retention is adjustable using the innovative 360-degree Velcro wrap, which provides extremely accurate and repeatable retention adjustments without the use of tools. This "tourniquet style" retention provides a very secure fit while still allowing for exceptionally quick presentations of the weapon from the holster. The Morrigan is ambidextrous. It attaches to the shooter's belt using a pair of IWB soft loops (included). The holster is adjustable for ride height and cant, and can be adjusted to conceal a pistol on a variety of body types. And like all RCS products, the Morrigan is made in the USA, and is covered by our unconditional lifetime warranty.

Safety Instruction Guide for Morrigan IWB Holsters

Introduction

Thank you for choosing the Morrigan IWB Holster from Raven Concealment Systems. This guide provides essential safety information and instructions for the safe use of your holster. Please read this document carefully to ensure proper handling and maintenance of your product.

General Safety Guidelines

- Ensure that the holster is compatible with your firearm model (Glock 19, 23, or 32).
- Always treat your firearm as if it is loaded, even when it is in the holster.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Regularly inspect the holster for wear and tear or damage.
- Follow all local laws and regulations regarding firearm carry and storage.

Specific Safety Precautions for Use

- **Proper Positioning:** The Morrigan holster is designed for inside-the-waistband carry. Ensure it is positioned correctly on or behind the blade of your hip for optimal concealment and comfort.
- **Retention Adjustment:** Use the 360-degree Velcro wrap to adjust retention. Ensure the holster fits securely around your firearm without compromising your ability to draw quickly.
- **Body Shield:** The full-height body shield protects both the firearm and the user. Ensure it is properly positioned to prevent discomfort from sharp edges.
- **Ambidextrous Use:** The Morrigan is designed for ambidextrous use. Familiarize yourself with how to switch the holster for left or right-hand use if necessary.
- **Clothing Considerations:** Wear appropriate clothing that allows for effective concealment while ensuring safety and comfort.

Instructions for Installation and Usage

1. Attaching the Holster:

- Use the included IWB soft loops to attach the holster to your belt.
- Ensure the loops are securely fastened and the holster is stable.

2. Adjusting Ride Height and Cant:

- Adjust the ride height and cant to suit your body type and personal preference.
- Test the adjustments with your firearm to ensure comfort and accessibility.

3. Inserting the Firearm:

- Ensure the firearm is unloaded before inserting it into the holster.
- Carefully slide the firearm into the holster, ensuring it is properly seated.

4. Drawing the Firearm:

- Practice drawing the firearm from the holster in a safe environment.
- Ensure that the drawing motion is smooth and does not catch on clothing or the holster.

5. Removing the Holster:

- When not in use, carefully remove the holster from your belt.
- Store the holster in a safe location away from children and unauthorized users.

Disposal Instructions

- Dispose of the holster responsibly when it is no longer needed or if it is damaged beyond repair.
- Check local regulations for proper disposal methods for polymer products.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to your retailer or manufacturer's website for specific contact details. Ensure you have your product information ready for a quicker response.

Thank you for prioritizing safety while using your Morrigan IWB Holster. Your responsible handling of firearms contributes to a safer environment for everyone.
