# Pocket Shield Safety Instruction Guide

## Introduction

Thank you for choosing the Pocket Shield by Raven Concealment Systems. This guide provides essential safety instructions to ensure the proper and safe use of the Pocket Shield, a modular platform designed for discreetly carrying small defensive implements. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the Pocket Shield is used only as intended, for carrying nonfood defensive implements.
- Regularly inspect the Pocket Shield for any signs of wear or damage. Do not use if damaged.
- Keep the Pocket Shield out of reach of children and vulnerable individuals.
- Always be aware of your surroundings when using the Pocket Shield.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- When carrying a firearm or knife, ensure it is securely positioned within the Pocket Shield to prevent accidental discharge or injury.
- Avoid overloading the Pocket Shield with multiple items, as this may compromise its functionality and safety.
- Do not expose the Pocket Shield to extreme temperatures or harsh chemicals, as this may damage the materials.
- Ensure that any defensive implement carried is legal to possess and carry in your jurisdiction.
- Always practice safe handling procedures when accessing or using any defensive implement.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a suitable front pocket of jeans or dress pants.
- Place the Pocket Shield inside the pocket, ensuring it fits snugly without protruding.
- Adjust the lanyard as necessary to secure the Pocket Shield in place.

### 2. Usage:

- When accessing your defensive implement, do so discreetly to avoid drawing attention.
- Practice drawing the implement from the Pocket Shield in a safe environment to ensure proficiency.
- Always ensure the area is clear of obstructions before drawing the implement.

## Disposal Instructions

- Dispose of the Pocket Shield in accordance with local regulations regarding textile and plastic waste.
- If the Pocket Shield is damaged beyond repair, consider recycling the materials if possible.
- Do not incinerate the Pocket Shield, as this may release harmful substances.

## Contact Information for Further Support

For questions or concerns regarding the Pocket Shield, please contact the manufacturer directly. Ensure that you have the product name and any relevant details ready for reference.

By following these guidelines, you can ensure the safe and effective use of your Pocket Shield. Thank you for

your attention to safety.
