

# TOP STOP AR UPPER RECEIVER COVERS - RAVEN CONCEALMENT SYSTEMS TOP STOP AR 15 UPPER RECEIVER COVER BLACK

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Storage Accessories](#)

The TopStop cover is designed to snap on most AR15 or M4 type upper receivers when they are detached from the lower receiver. The TopStop completely seals the upper receiver preventing fouling from getting in or out and it stops the bolt carrier group and charging handle from sliding out as the upper is moved around. The TopStop is made out of super tough polymer and is impervious to most solvents and chemicals. This product is perfect for storing or transporting your spare upper receivers, especially in low-profile bags where the rifle must be broken down to fit.

# Safety Instruction Guide for TOP STOP AR Upper Receiver Covers

## Introduction

Thank you for choosing the TOP STOP AR Upper Receiver Cover by Raven Concealment Systems. This product is designed to protect your AR15 or M4 type upper receiver from dirt, debris, and other contaminants while in storage or transport. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always inspect the product for any visible damage before use. Do not use if damaged.
- Ensure that the upper receiver is detached from the lower receiver before installing the cover.
- Keep the product out of reach of children and vulnerable individuals.
- Store the product in a cool, dry place away from direct sunlight and extreme temperatures.
- Report any unsafe conditions or accidents related to the product to the relevant authorities.

## Specific Safety Precautions for Use

- Do not attempt to use the TopStop cover while the upper receiver is attached to the lower receiver.
- Avoid exposure to harsh chemicals or solvents that may compromise the integrity of the product.
- Ensure that the cover is securely snapped onto the upper receiver to prevent it from accidentally coming off during transport.
- Use caution when handling the upper receiver and the cover to avoid injury from sharp edges or moving parts.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the upper receiver is detached from the lower receiver.
- Clean the upper receiver to remove any dirt or debris before installation.

### 2. Installation

- Align the TopStop cover with the upper receiver.
- Firmly press down on the cover until it snaps into place. Ensure that it is securely attached.

### 3. Usage

- When transporting or storing the upper receiver, ensure that the cover remains securely in place.
- Avoid placing heavy objects on top of the covered upper receiver to prevent damage.

### 4. Removal

- To remove the TopStop cover, gently pull it away from the upper receiver, ensuring not to apply excessive force that could cause damage.

## Disposal Instructions

- Dispose of the TopStop cover in accordance with local waste disposal regulations.
- Do not incinerate the product as it may release harmful substances when burned.

- If the product is damaged or no longer needed, consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the TOP STOP AR Upper Receiver Cover, please reach out to the manufacturer or your point of purchase. Always ensure that you have the product details handy when seeking support.

By following these guidelines, you can ensure the safe and effective use of your TOP STOP AR Upper Receiver Cover. Thank you for your attention to safety!
