

TOP STOP AR UPPER RECEIVER COVERS - RAVEN CONCEALMENT SYSTEMS TOP STOP AR 15 UPPER RECEIVER COVER RANGER GREEN

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Storage Accessories](#)

The TopStop cover is designed to snap on most AR15 or M4 type upper receivers when they are detached from the lower receiver. The TopStop completely seals the upper receiver preventing fouling from getting in or out and it stops the bolt carrier group and charging handle from sliding out as the upper is moved around. The TopStop is made out of super tough polymer and is impervious to most solvents and chemicals. This product is perfect for storing or transporting your spare upper receivers, especially in low-profile bags where the rifle must be broken down to fit.

TOP STOP AR UPPER RECEIVER COVERS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Top Stop AR Upper Receiver Cover from Raven Concealment Systems. This product is designed to protect your AR15 or M4 type upper receivers during storage and transportation. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the Top Stop cover is used only with compatible AR15 or M4 type upper receivers.
- Always inspect the cover before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Do not use the Top Stop cover if it is damaged or shows signs of wear.
- Ensure the upper receiver is completely detached from the lower receiver before attaching the cover.
- Avoid exposing the Top Stop cover to extreme temperatures or harsh chemicals beyond its specifications.
- Do not force the cover onto the upper receiver; it should snap on easily without excessive pressure.
- Always check that the cover is securely attached before transporting or storing your upper receiver.

Instructions for Installation and Usage

1. Preparation:

- Make sure the upper receiver is completely detached from the lower receiver.
- Clean the upper receiver to remove any dirt or debris.

2. Attaching the Top Stop Cover:

- Align the Top Stop cover with the upper receiver.
- Gently press down until you hear a snap, indicating that the cover is securely attached.
- Ensure that the cover fits snugly and does not move when shaken.

3. Removing the Top Stop Cover:

- To remove the cover, gently pull at the edges until it releases from the upper receiver.
- Avoid using sharp objects to pry it off, as this may damage the cover or the receiver.

4. Storage and Transportation:

- Store your covered upper receiver in a cool, dry place away from direct sunlight.
- When transporting, ensure the upper receiver is secured in a lowprofile bag or case to prevent movement.

Disposal Instructions

- Dispose of the Top Stop cover in accordance with local regulations for plastic waste.
- Do not incinerate the product, as it may release harmful substances when burned.
