

TOP STOP AR UPPER RECEIVER COVERS - RAVEN CONCEALMENT SYSTEMS TOP STOP AR 15 UPPER RECEIVER COVER WOLF GREY

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Storage Accessories](#)

The TopStop cover is designed to snap on most AR15 or M4 type upper receivers when they are detached from the lower receiver. The TopStop completely seals the upper receiver preventing fouling from getting in or out and it stops the bolt carrier group and charging handle from sliding out as the upper is moved around. The TopStop is made out of super tough polymer and is impervious to most solvents and chemicals. This product is perfect for storing or transporting your spare upper receivers, especially in low-profile bags where the rifle must be broken down to fit.

TOP STOP AR UPPER RECEIVER COVER SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the TOP STOP AR Upper Receiver Cover by Raven Concealment Systems. This product is designed to protect your AR15 or M4 type upper receiver from fouling and damage during storage and transport. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the TOP STOP cover as directed. This product has been designed to minimize risks associated with storage and transport of upper receivers.
- **Enhanced Recalls:** Be aware of any recall notices related to this product. If a recall occurs, follow the instructions provided for a safe remedy.
- **Online Shopping:** If you purchased this product online, ensure that the platform complies with safety requirements as per EU regulations.
- **Special Consumer Focus:** This product should be kept out of reach of children and vulnerable individuals to prevent accidental use or injury.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EU-based contact point provided by the manufacturer.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Do not use the cover on a mounted upper receiver:** The TOP STOP cover is designed for use only when the upper receiver is detached from the lower receiver.
- **Inspect the cover before use:** Check for any damage or wear that may compromise the effectiveness of the cover.
- **Avoid exposure to extreme temperatures:** Do not leave the cover in direct sunlight or in extreme heat or cold conditions, as this may affect its integrity.
- **Keep away from solvents and chemicals:** Although made from tough polymer, prolonged exposure to strong solvents may damage the cover.
- **Store in a secure location:** Ensure that the cover is stored in a safe place to prevent accidental use or damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure the upper receiver is detached from the lower receiver.
- Clean the upper receiver to remove any dirt or debris.

2. Installation:

- Align the TOP STOP cover with the upper receiver.
- Firmly press the cover onto the upper receiver until it snaps securely in place.
- Ensure that the cover completely seals the upper receiver.

3. Usage:

- When transporting or storing the upper receiver, keep the TOP STOP cover securely in place.
- Avoid any forceful movements that may dislodge the cover while in transit.

4. Removal:

- To remove the cover, gently pull it away from the upper receiver.
- Store the cover in a clean, dry location when not in use.

Disposal Instructions

- Dispose of the TOP STOP cover responsibly in accordance with local regulations.
- Do not incinerate the cover, as it may release harmful fumes.
- If the cover is damaged beyond use, consider recycling it if possible.
