AMT AutoMag III Magazine Safety Instructions

Introduction

Thank you for choosing the AMT AutoMag III Magazine 30 Carbine from International Armament Corp. This product is designed for use with the AMT AutoMag III .30 Carbine pistol. It is essential to follow safety guidelines to ensure safe and effective use of your magazine. This guide provides important safety instructions and information to help you use your magazine responsibly.

General Safety Guidelines

- Always treat every magazine as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Use only with the AMT AutoMag III pistol chambered in .30 Carbine.
- Do not attempt to modify the magazine or use it in any other firearm.
- Inspect the magazine before each use for any signs of damage or wear.
- Store the magazine in a cool, dry place away from direct sunlight.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Specific Safety Precautions for Use

- Ensure the firearm is pointed in a safe direction at all times when loading or unloading the magazine.
- Do not load the magazine with more than 8 rounds.
- Avoid using damaged or worn magazines, as they may cause malfunctions.
- If a malfunction occurs, do not attempt to clear it while the firearm is pointed at yourself or others.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure you have a safe backdrop when firing.

Instructions for Installation and Usage

1. Loading the Magazine

- Ensure the magazine is clean and free of debris.
- Hold the magazine with the base plate facing downward.
- Insert the first round into the magazine, pushing it down until it clicks into place.
- Repeat the process until the magazine is loaded with a maximum of 8 rounds.
- Confirm that the rounds are seated properly.

2. Inserting the Magazine into the Firearm

- Ensure the firearm is on safe and the chamber is empty.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.
- Check that the magazine is securely seated.

3. Removing the Magazine

- Ensure the firearm is on safe and pointed in a safe direction.
- Press the magazine release button on the firearm.
- Gently pull the magazine out of the magazine well.

4. Cleaning and Maintenance

- Regularly clean the magazine to ensure proper function.

- Use a soft cloth to wipe down the exterior.
- Inspect the follower and spring for any signs of wear or damage.
- Do not use solvents or oils that may damage the magazine.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond repair, consider recycling the materials where possible.
- Ensure that the magazine is not usable by others before disposal.
