Safety Instruction Guide for AR15 Slim Line Handguards MLOK

Introduction

Thank you for choosing the AR15 Slim Line Handguards MLOK from Midwest Industries. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new handguards. Please read this document carefully before installation and usage.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the handguards.
- Inspect the handguards for any visible damage or defects before use.
- Ensure that all components are compatible with your AR15 model.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Keep the handguards out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only the recommended installation tools to avoid damaging the handguards or your firearm.
- Do not exceed the manufacturer's specified weight limit for accessories mounted on the handguards.
- Regularly check the tightness of the handguard and barrel nut to ensure they are secure.
- Avoid exposing the handguards to extreme temperatures or harsh chemicals that could affect their integrity.
- If you experience any issues during installation or usage, discontinue use and seek professional assistance.

Instructions for Installation and Usage

Installation Steps

1. Preparation

- Ensure your firearm is unloaded and in a safe position.
- Gather necessary tools: installation wrench and any other recommended tools.

2. Remove Existing Handguard

- Follow the manufacturer's instructions for removing the existing handguard from your AR15.

3. Install the Barrel Nut

- Place the 4140 Heat Treated Barrel Nut onto the barrel.
- Use the installation wrench to secure the barrel nut in place, following the specified torque settings.

4. Attach the Handguard

- Align the SLH Slim Line Handguard with the barrel nut.
- Slide the handguard into position and ensure it is properly seated.

5. Secure the Handguard

- Tighten the screws or locking mechanisms as per the manufacturer's instructions.
- Ensure that the handguard is securely attached and does not move.

6. Final Inspection

- Doublecheck all connections and ensure there are no loose parts.
- Test the handguard by gently applying pressure to ensure stability.

Usage Instructions

- Use the handguards as intended for stabilizing your firearm during operation.
- Ensure that any accessories mounted to the handguards are securely attached and within the weight limits specified by the manufacturer.
- Regularly clean the handguards according to the manufacturer's recommendations to maintain their appearance and functionality.

Disposal Instructions

- Dispose of packaging materials responsibly, in accordance with local recycling guidelines.
- If the handguards are damaged beyond repair, dispose of them in accordance with local waste disposal regulations.
- Do not incinerate or expose the handguards to high heat.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Slim Line Handguards MLOK, please refer to your retailer or the manufacturer for assistance. Always ensure that you are following the latest safety guidelines and regulations.

Thank you for your attention to safety and for choosing Midwest Industries. Enjoy your new handguards responsibly!
