

22 CALIBER (0.224") HIGH VELOCITY CONTROLLED CHAOS BULLETS - LEHIGH DEFENSE CONTROLLED CHAOS 22 CALIBER (0.224") SCHP 55GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

LeHigh's High Velocity Controlled Chaos rounds were developed as a result of an animal control agency's request for a no lead .243 bullet that would provide extensive wound trauma with little minimal pass through energy. Basically the idea was to burst the bullet into numerous particles at a predetermined depth creating many wounds and a large temporary cavity with shot placement at or near the central nervous system. The agency had tried copper matrix frangible rounds and found the penetration depth and particle size were less than what was require for proper terminal performance. Many wound channels resulting in extensive damage CNC machined from solid copper or brass, not formed or swaged Exceptional accuracy from the advanced manufacturing process A separate base for penetration along the original trajectory No lead designs for agencies requiring green projectiles

Attributes

- Name: [LEHIGH DEFENSE CONTROLLED CHAOS 22 CALIBER \(0.224"\) SCHP 55GR 50/BOX](#)
- Manufacturer: [LEHIGH DEFENSE](#)
- Product no.: 100031012
- Mfr. No.: 05224055CUSP
- Ballistic Coefficient (G1): 0.278
- Brand Style: Controlled Chaos
- Bullet Style: Fracturing Boat Tail
- Caliber: 22 Caliber
- Diameter (Breech): -
- Diameter (in): 0.224
- Grain: 55
- Quantity: 50
- Delivery weight: 0.357kg
- Shipping height: 38mm
- Shipping width: 89mm
- Shipping length: 89mm
- UPC: 810025507565

Safety Instruction Guide for 22 Caliber (0.224") High Velocity Controlled Chaos Bullets

Introduction

Thank you for choosing the 22 Caliber (0.224") High Velocity Controlled Chaos Bullets by LeHigh Defense. This guide provides essential safety instructions and guidelines to ensure safe handling and use of the product. Please read this guide carefully before using the bullets.

General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store bullets in a secure location, out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE) when handling bullets, including safety glasses and hearing protection.
- Ensure that you are in compliance with all local, national, and international laws regarding the purchase, storage, and use of ammunition.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically chambered for 22 Caliber (0.224") ammunition.
- Do not attempt to modify or alter the bullets in any way.
- Avoid using these bullets for purposes other than intended, such as recreational shooting without proper supervision.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always follow the manufacturer's guidelines and recommendations for use.

Instructions for Installation and Usage

- Ensure that your firearm is unloaded before inserting the bullets.
- Carefully load the bullets into the magazine or chamber of the firearm, following the manufacturer's instructions for your specific firearm model.
- Check that the firearm is in good working condition and that all safety features are functioning properly.
- When ready to fire, aim at a safe target and ensure that no one is in the line of fire.
- After firing, safely store the firearm and any remaining bullets in a secure location.

Disposal Instructions

- Dispose of any unused or expired bullets in accordance with local regulations.
- Do not throw bullets in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the manufacturer's website or customer service resources. Ensure you have the product details available for any inquiries.

By following these guidelines, you help ensure a safe experience while using the 22 Caliber (0.224") High Velocity Controlled Chaos Bullets. Thank you for your attention to safety.
