

30 CALIBER (0.308") HIGH VELOCITY CONTROLLED CHAOS BULLETS - LEHIGH DEFENSE 30 CALIBER (0.308") 115GR CONTROLLED CHAOS 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

LeHigh's High Velocity Controlled Chaos rounds were developed as a result of an animal control agency's request for a no lead .243 bullet that would provide extensive wound trauma with little minimal pass through energy. Basically the idea was to burst the bullet into numerous particles at a predetermined depth creating many wounds and a large temporary cavity with shot placement at or near the central nervous system. The agency had tried copper matrix frangible rounds and found the penetration depth and particle size were less than what was require for proper terminal performance. Many wound channels resulting in extensive damage CNC machined from solid copper or brass, not formed or swaged Exceptional accuracy from the advanced manufacturing process A separate base for penetration along the original trajectory No lead designs for agencies requiring green projectiles

Attributes

- Name: [LEHIGH DEFENSE 30 CALIBER \(0.308"\) 115GR CONTROLLED CHAOS 50/BOX](#)
- Manufacturer: [LEHIGH DEFENSE](#)
- Product no.: 100031019
- Mfr. No.: 05308115CUSP
- Ballistic Coefficient (G1): 0.284
- Brand Style: Controlled Chaos
- Bullet Style: Fracturing Boat Tail
- Caliber: 30 Caliber
- Diameter (Breech): -
- Diameter (in): 0.308
- Grain: 115
- Quantity: 50
- Delivery weight: 0.745kg
- Shipping height: 38mm
- Shipping width: 89mm
- Shipping length: 89mm
- UPC: 05308115CUSP

Safety Instruction Guide for 30 Caliber (0.308") High Velocity Controlled Chaos Bullets

Introduction

Thank you for choosing the LeHigh Defense 30 Caliber (0.308") High Velocity Controlled Chaos Bullets. This guide provides essential safety instructions to ensure safe handling, usage, and disposal of this product. Please read the entire guide before using the bullets.

General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place, away from children and unauthorized individuals.
- Use appropriate personal protective equipment (PPE) when handling bullets, including safety glasses and gloves.
- Ensure proper ventilation when using bullets in enclosed spaces.
- Familiarize yourself with local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically chambered for .308 caliber ammunition.
- Follow the manufacturer's instructions for your firearm regarding the use of ammunition.
- Do not exceed the recommended load specifications.
- Avoid using damaged or corroded bullets.
- Keep the firearm pointed in a safe direction at all times.
- Be aware of your target and what lies beyond it.
- Do not handle bullets or firearms when under the influence of alcohol or drugs.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded before handling the bullets.
- Clean the firearm according to the manufacturer's instructions.

2. Loading the Bullets:

- Open the box of bullets carefully.
- Inspect each bullet for any signs of damage or defects.
- Load bullets into the magazine or chamber of the firearm as per the firearm's manual.

3. Firing:

- Ensure you are in a safe and designated shooting area.
- Follow all safety protocols and guidelines while firing.
- Maintain control of the firearm at all times.

4. Post Use:

- After firing, unload the firearm immediately.
- Store any remaining bullets in their original packaging in a secure location.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash.
- Contact local authorities or waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the contact details provided on the product packaging or the manufacturer's website.

By adhering to these safety guidelines and precautions, you can ensure a safer experience while using the LeHigh Defense 30 Caliber (0.308") High Velocity Controlled Chaos Bullets. Thank you for prioritizing safety.
