

# 44 CALIBER (0.429") XTREME PENETRATOR BULLETS - LEHIGH DEFENSE 44 CALIBER (0.429") 220GR XTREME PENETRATOR FTM 50/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

The progressive nose geometry of the Xtreme Penetrator allows for deep, straight penetration while creating a permanent wound cavity diameter exceeding that of most expanding bullets. To top it off, the bullet is solid Copper and/or Brass able to overcome barriers to penetration; environmentally friendly, target unfriendly, very unfriendly, downright obnoxiously unfriendly. Progressive nose geometry for deep, straight penetration CNC machined from solid Copper and/or Brass to overcome barriers to penetration Radial flutes that force the hydraulic energy inward to build pressure Exceptional acceleration that creates high pressure energy spikes Minimal surface area to increase the force at the point of contact and sharp cutting edges that defeat barriers A permanent wound cavity that is 2 to 4 times greater than flat or ball nose bullets Available for both handguns and rifles Ballistics Testing - FBI Standard 10% Ballistics Gelatin Barrier: 4 Layers of Denim

## Attributes

- Name: [LEHIGH DEFENSE 44 CALIBER \(0.429"\) 220GR XTREME PENETRATOR FTM 50/BOX](#)
- Manufacturer: [LEHIGH DEFENSE](#)
- Product no.: 100031026
- Mfr. No.: 07429220SP
- Bullet Style: Fluid Transfer Monolithic (FTM)
- Caliber: 44 Caliber
- Diameter (in): 0.429
- Grain: 220
- Quantity: 50
- Delivery weight: 0.713kg
- Shipping height: 38mm
- Shipping width: 89mm
- Shipping length: 89mm
- UPC: 810025507404

## Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for 44 Caliber (0.429") Xtreme Penetrator Bullets

## Introduction

Thank you for choosing the 44 Caliber (0.429") Xtreme Penetrator Bullets by Lehigh Defense. This guide provides important safety information to ensure the safe use and handling of this product. Please read this guide carefully before using the bullets.

## General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions. This product is not intended for food use and should be handled with care.
- **Enhanced Recalls:** Stay informed about any recalls. If a recall is issued, follow the instructions provided for safe disposal or return.
- **Online Shopping:** When purchasing online, ensure the seller complies with safety regulations.
- **Special Consumer Focus:** Extra care should be taken when this product is accessed or used by individuals who may be vulnerable, such as children.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- Always handle bullets with care and store them in a secure location away from children and unauthorized users.
- Wear appropriate safety gear, including safety glasses and gloves, when handling ammunition.
- Ensure that the firearm used is compatible with the 44 Caliber (0.429") bullets to prevent malfunctions.
- Do not modify the bullets in any way, as this can lead to dangerous situations.
- Keep the bullets away from heat sources, moisture, and direct sunlight to maintain their integrity.
- Always follow local laws and regulations regarding the use and storage of ammunition.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installing the bullets.
- Follow the manufacturer's instructions for loading the bullets into the firearm.
- Check that the bullets are seated properly in the chamber to avoid misfires.

### 2. Usage:

- Always point the firearm in a safe direction when loading and unloading.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Use appropriate targets that can safely absorb the impact of the bullets.
- After use, clean the firearm according to the manufacturer's guidelines to maintain performance.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local laws and regulations.
- Do not throw bullets in regular trash. Contact local authorities for proper disposal methods.
- If a recall occurs, follow the specific disposal instructions provided by the manufacturer.

## **Contact Information for Further Support**

For any questions or concerns regarding the 44 Caliber (0.429") Xtreme Penetrator Bullets, please refer to the contact information provided by the manufacturer.
