

45 CALIBER (0.451") XTREME PENETRATOR BULLETS - LEHIGH DEFENSE 45 CALIBER (0.451") 200GR XTREME PENETRATOR FTM 50/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

The progressive nose geometry of the Xtreme Penetrator allows for deep, straight penetration while creating a permanent wound cavity diameter exceeding that of most expanding bullets. To top it off, the bullet is solid Copper and/or Brass able to overcome barriers to penetration; environmentally friendly, target unfriendly, very unfriendly, downright obnoxiously unfriendly. Progressive nose geometry for deep, straight penetration CNC machined from solid Copper and/or Brass to overcome barriers to penetration Radial flutes that force the hydraulic energy inward to build pressure Exceptional acceleration that creates high pressure energy spikes Minimal surface area to increase the force at the point of contact and sharp cutting edges that defeat barriers A permanent wound cavity that is 2 to 4 times greater than flat or ball nose bullets Available for both handguns and rifles Ballistics Testing - FBI Standard 10% Ballistics Gelatin Barrier: 4 Layers of Denim

Attributes

- Name: [LEHIGH DEFENSE 45 CALIBER \(0.451"\) 200GR XTREME PENETRATOR FTM 50/BOX](#)
- Manufacturer: [LEHIGH DEFENSE](#)
- Product no.: 100031027
- Mfr. No.: 07451200SPFC
- Bullet Style: Fluid Transfer Monolithic (FTM)
- Caliber: 45 Caliber
- Diameter (in): 0.451
- Grain: 200
- Quantity: 50
- Delivery weight: 0.648kg
- Shipping height: 38mm
- Shipping width: 89mm
- Shipping length: 89mm

Item details

Made in USA

US export classification: 0A505.x

Safety Instruction Guide for 45 Caliber (0.451") Xtreme Penetrator Bullets

Introduction

Thank you for choosing the 45 Caliber (0.451") Xtreme Penetrator Bullets by Lehigh Defense. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this document carefully before use to understand the potential hazards and how to use this product safely.

General Safety Guidelines

- **Product Safety:** Ensure safe use of all nonfood products, including this ammunition. Follow all safety guidelines to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. In the event of a recall, follow the instructions provided for returning or disposing of the product safely.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** Extra care should be taken when handling this product, especially around vulnerable groups such as children. Keep out of reach.
- **EU Contact Point:** For safety inquiries, consult the appropriate EU-based contact points for assistance.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates regarding any unsafe products, including this ammunition.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to handle ammunition. Verify local laws and regulations regarding age restrictions.
- **Proper Storage:**
 - Store in a cool, dry place away from direct sunlight.
 - Keep in the original packaging until ready for use.
 - Ensure that the storage area is secure and inaccessible to unauthorized individuals.
- **Protective Gear:**
 - Always wear appropriate eye and ear protection when handling or firing ammunition.
 - Consider wearing gloves to prevent contact with residues.
- **Handling:**
 - Handle with care to avoid accidental discharge.
 - Do not point the firearm at anything you do not intend to shoot.
 - Always treat every firearm as if it is loaded.
- **Transportation:**
 - Transport in a secure and locked container designed for ammunition.
 - Ensure that the ammunition is not accessible while in transit.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that the firearm is compatible with 45 Caliber (0.451") ammunition.
 - Follow the firearm manufacturer's instructions for loading ammunition.
- **Usage:**
 - Inspect the ammunition before use for any signs of damage or defect.
 - Load the ammunition according to the firearm's specifications.
 - Fire in a safe and controlled environment, following all local laws and regulations.
- **PostUsage:**
 - Clean the firearm after use to maintain performance and safety.

- Dispose of any unused or damaged ammunition according to local regulations.

Disposal Instructions

- **Disposal of Unused Ammunition:**
 - Do not dispose of ammunition in regular household waste.
 - Contact local authorities for guidance on proper disposal methods.
- **Recycling:**
 - Some components may be recyclable. Check with local recycling facilities for accepted materials.
- **Environmental Considerations:**
 - Dispose of packaging materials in accordance with local recycling regulations.

Contact Information for Further Support

For any questions regarding the safety and use of the 45 Caliber (0.451") Xtreme Penetrator Bullets, please consult your local authority or the retailer from whom you purchased the product. Ensure that you have the necessary information to address any concerns or inquiries.

Please ensure that you adhere to all safety guidelines and regulations to promote safe handling and usage of this product. Your safety is our priority.
