

# TACTICAL FLOORPLATES FOR GLOCK® - TANGODOWN TACTICAL MAGAZINE FLOOR PLATES FOR GLOCK® BLUE

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

## Oversized For Reliable Mag Extraction Under All Conditions

The Vickers Tactical floorplate gives the shooter an enhanced gripping surface for ripping a stuck magazine from the gun if it refuses to fall free during a crucial reload. The larger plate works well with gloves and can even be hooked on a belt or holster in a tight situation. Plates are made of glass-filled nylon for high strength and impact resistance and have eight concave dots molded into the bottom for numbering or marking your magazines. Glock® Small Frame fits magazines for pistols in 9mm, .40 S&W, .357 SIG, and .45 GAP. Sold in a 5-Pak. G42 fits Glock® model 42 only. Sold in 2-Pak. M&P fits Smith & Wesson M&P full-size magazines for pistols chambered 9mm, .357 SIG, and .40 S&W; will not fit M&P Compact mags.

## Attributes

# Safety Instruction Guide for Tactical Floorplates for Glock®

## Introduction

Thank you for choosing the Tactical Floorplates for Glock® by Tangodown. This guide provides essential safety instructions and recommendations for the proper use and handling of this product. Please read this guide carefully to ensure safe operation and compliance with safety regulations.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the floorplates.
- Inspect the floorplates for any visible damage before use. Do not use if damaged.
- Keep the floorplates out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.
- Be aware of your surroundings when handling firearms equipped with the floorplates.
- Regularly check for any recalls or safety updates related to this product.

## Specific Safety Precautions for Use

- Ensure that the floorplates are compatible with your specific Glock® model before installation.
- Use gloves when handling the floorplates to enhance grip and prevent slippage during installation.
- Avoid using the floorplates in extreme temperatures or harsh environments, as this may affect their performance.
- Do not attempt to modify or alter the floorplates in any way, as this may compromise safety and effectiveness.
- When reloading, ensure that the magazine is properly seated in the firearm to avoid malfunctions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing floorplate from the magazine by pressing down on the locking mechanism.
- Align the Tactical Floorplate with the magazine and press down until it clicks into place.
- Verify that the floorplate is securely attached by gently pulling on it.

### 2. Usage:

- Use the enhanced gripping surface to pull the magazine free from the firearm during a reload if it becomes stuck.
- When using gloves, ensure that the floorplate provides adequate grip for your needs.
- If necessary, use the floorplate's design to hook onto a belt or holster for easier access in tight situations.

## Disposal Instructions

- Dispose of any damaged or unusable floorplates in accordance with local waste disposal regulations.
- Do not dispose of the floorplates in fire or extreme heat, as this may release harmful substances.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tactical Floorplates for Glock®, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website for further assistance.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your Tactical Floorplates for Glock®. Thank you for prioritizing safety and compliance.
