

# TACTICAL FLOORPLATES FOR GLOCK® - TANGODOWN TACTICAL MAGAZINE FLOOR PLATES FOR GLOCK® GRAY

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

## Oversized For Reliable Mag Extraction Under All Conditions

The Vickers Tactical floorplate gives the shooter an enhanced gripping surface for ripping a stuck magazine from the gun if it refuses to fall free during a crucial reload. The larger plate works well with gloves and can even be hooked on a belt or holster in a tight situation. Plates are made of glass-filled nylon for high strength and impact resistance and have eight concave dots molded into the bottom for numbering or marking your magazines. Glock® Small Frame fits magazines for pistols in 9mm, .40 S&W, .357 SIG, and .45 GAP. Sold in a 5-Pak. G42 fits Glock® model 42 only. Sold in 2-Pak. M&P fits Smith & Wesson M&P full-size magazines for pistols chambered 9mm, .357 SIG, and .40 S&W; will not fit M&P Compact mags.

# TACTICAL FLOORPLATES FOR GLOCK® Safety Instruction Guide

## Introduction

Thank you for choosing the TACTICAL FLOORPLATES FOR GLOCK® by TANGODOWN. This safety instruction guide provides essential information to ensure the safe use and handling of your product. Please read this guide carefully before use to understand the potential hazards and the proper precautions to take.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and related accessories with care.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the floorplates for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always verify that the firearm is unloaded before installing or removing the floorplate.
- Use gloves when handling the floorplates to ensure a secure grip and minimize the risk of slippage.
- Avoid using the floorplates in extreme temperatures or harsh environments that may affect performance.
- Do not modify the floorplates in any way, as this may lead to unsafe conditions.
- Ensure that the floorplates are properly attached to the magazines before use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded.
- Remove the existing floorplate from the magazine by following the manufacturer's instructions.
- Align the TACTICAL FLOORPLATE with the magazine base.
- Press down firmly until you hear a click, indicating that the floorplate is securely attached.

### 2. Usage:

- When reloading, grip the larger plate firmly to assist in removing the magazine from the firearm.
- If the magazine is stuck, apply steady pressure while pulling it free; do not yank or force it, as this may damage the magazine or firearm.

### 3. Maintenance:

- Regularly clean the floorplates with a soft cloth to remove dirt and debris.
- Inspect the floorplates for cracks or other signs of damage before each use.

## Disposal Instructions

- Dispose of the floorplates in accordance with local regulations for plastic waste.
- Do not incinerate or expose the floorplates to extreme heat, as this may release harmful substances.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please contact the manufacturer directly. Ensure you have your product details on hand for a swift response.

Thank you for your attention to these safety instructions. Your commitment to following these guidelines will help ensure a safe and enjoyable experience with your TACTICAL FLOORPLATES FOR GLOCK®.
