

TACTICAL FLOORPLATES FOR GLOCK® - TANGODOWN TACTICAL MAGAZINE FLOOR PLATES FOR GLOCK® OD

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

Oversized For Reliable Mag Extraction Under All Conditions

The Vickers Tactical floorplate gives the shooter an enhanced gripping surface for ripping a stuck magazine from the gun if it refuses to fall free during a crucial reload. The larger plate works well with gloves and can even be hooked on a belt or holster in a tight situation. Plates are made of glass-filled nylon for high strength and impact resistance and have eight concave dots molded into the bottom for numbering or marking your magazines. Glock® Small Frame fits magazines for pistols in 9mm, .40 S&W, .357 SIG, and .45 GAP. Sold in a 5-Pak. G42 fits Glock® model 42 only. Sold in 2-Pak. M&P fits Smith & Wesson M&P full-size magazines for pistols chambered 9mm, .357 SIG, and .40 S&W; will not fit M&P Compact mags.

TACTICAL FLOORPLATES FOR GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the Tactical Floorplates for Glock®. This product enhances your magazine's grip, allowing for efficient magazine changes during critical situations. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

General Safety Guidelines

- Ensure that the Tactical Floorplates are compatible with your Glock® model before installation.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Regularly inspect the floorplates for any signs of damage or wear before use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Stay updated on product recalls or safety notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with compatible Glock® magazines: 9mm, .40 S&W, .357 SIG, and .45 GAP.
- Do not attempt to modify or alter the floorplates in any way.
- Ensure that the floorplates are securely attached to the magazine before use.
- Avoid using the floorplates in extreme conditions that could compromise their integrity.
- Use protective gloves if necessary to maintain grip and control during magazine changes.

Instructions for Installation and Usage

1. Installation:

- Remove the existing floorplate from your Glock® magazine.
- Align the Tactical Floorplate with the magazine base.
- Press down firmly until the floorplate clicks into place, ensuring it is securely attached.

2. Usage:

- When reloading, grip the Tactical Floorplate firmly to pull the magazine from the firearm.
- If the magazine is stuck, apply a quick, firm pull to dislodge it.
- Practice magazine changes in a safe environment to familiarize yourself with the enhanced grip.

Disposal Instructions

- Dispose of the Tactical Floorplates in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or no longer usable.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Tactical Floorplates for Glock®, please consult your retailer or refer to the manufacturer's website for additional support and information.

By following these guidelines, you can ensure the safe and effective use of your Tactical Floorplates. Thank you for your attention to safety.
