Easy-To-Grasp Ambidextrous Handle That Won't Snag Your Gear or Clothing

The Raptor-SL, short for "Raptor Slim," from Radian Weapons is an ambidextrous AR-15 charging handle similar to the current Raptor handle - with some key modifications requested by some of Radian's operator customers. The Raptor-SL has smaller, reduced-profile grasping "ears" that minimize the risk of getting caught up in chest rigs or other gear, which can lead to pulling the BCG out of battery unbeknownst to the operator. At the same time, the Raptor Slim still provides the fast, positive engagement that make Raptor handles so popular. Low-profile ears reduce risk of snagging on other gear. Fully ambidextrous operation. Hardened aluminum handle body. Fits mil-spec AR-15 / M16 upper receivers (will NOT fit Colt 901). Deep vertical serrations on the front and rear of the Radian Weapons Raptor-SL's ears give you an excellent, non-slip hold through the entire charging cycle. Whatever your charging technique - from rapid palm "blading" to a straightforward finger-thumb grasp - the Raptor-SL ensures you can achieve the same fast, fluid operation from the support side as you do from your strong side.

Attributes

- Name: [RADIAN WEAPONS AR-15 RAPTOR-SL AMBIDEXTROUS CHARGING HANDLE BLACK](#)

Safety Instruction Guide for AR15 RAPTORSL Charging Handle

Introduction

Thank you for choosing the AR15 RAPTORSL Charging Handle from Radian Weapons. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read and understand this manual before use to maximize safety and performance.

General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure the firearm is unloaded before installing or handling the charging handle.
- Keep the charging handle out of reach of children and unauthorized users.
- Use the product only as intended and in accordance with the manufacturer's instructions.
- Regularly inspect the charging handle for wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- The charging handle is designed for use with milspec AR15 / M16 upper receivers. It will NOT fit Colt 901 models.
- Ensure that the charging handle is properly installed before use to prevent accidental discharge or malfunction.
- Use caution when charging the firearm to avoid pinching fingers or getting caught in gear.
- Practice safe handling techniques, including keeping the firearm pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that no one is in the line of fire when operating the charging handle.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle by pulling it straight out of the receiver.
- Align the AR15 RAPTORSL Charging Handle with the receiver and insert it into the charging handle slot.
- Push the charging handle fully into the receiver until it is securely in place.

2. Usage:

- Grip the charging handle firmly using the lowprofile ears, ensuring a secure hold.
- Pull the charging handle back to engage the bolt carrier group (BCG).
- Release the charging handle to allow the BCG to return to battery.
- Practice various charging techniques, such as palm "blading" or fingerthumb grasp, to find what works best for you.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations and guidelines for metal products.
- Do not dispose of the charging handle in regular household waste.
- If the product is damaged beyond repair, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding the AR15 RAPTORSL Charging Handle, please refer to the manufacturer's website or customer service resources.

Thank you for prioritizing safety and responsible usage. Your understanding and adherence to these guidelines contribute to a safer shooting experience.
