## Huge Upgrade in Quality of Trigger Pull; Drop-In Installation

Here's your dilemma: you want to upgrade the trigger in your Glock® to an Overwatch Precision DAT aluminum trigger, but you're on a tight budget. And frankly, you have no problem with the feel of a plastic trigger shoe. The folks at Overwatch have come up with the solution: install their Polymer DAT Trigger. You enjoy many of the key the benefits of their aluminum Defensive Applications Trigger (DAT), with a lower sticker price. As with the aluminum original, the Overwatch Precision crew designed the Polymer DAT Trigger to shorten the pull distance of your Glock's trigger by as much as 20% (depending on frame tolerances), making it an excellent option for shooters with shorter fingers. ALL shooters, regardless of the length of their digits, will appreciate the faster, more positive, clearly-defined pull, followed by a short, positive reset. The broad, flat face of the Polymer DAT Trigger permits a straight, uniquely self-correcting rearward press. Pre-travel has been reduced as much as possible without risking safety, so you revel in a clean, crisp break and almost non-existent overtravel. Most importantly, all of these benefits DO NOT come at the expense of compromising reliable operation of the factory safeties. Drop-in ready for Gen1 thru Gen4 Glock® pistols WILL NOT fit Gen5 or G19X pistols Solid-body, molded hard-polymer trigger shoe & safety lever. Flat-faced shoe enhances control & leverage. Polished stainless steel OEM Glock trigger bar installed. Now, you can go ahead and get a quantum leap in the quality of your Glock's trigger pull - without putting a dent in the debit card balance that gets you in the doghouse with your Significant Other!

## Attributes

- Name: [OVERWATCH PRECISION POLYMER DAT TRIGGER KIT, 9/40, GEN 2-4](#)
- Manufacturer: [OVERWATCH PRECISION](#)
- Product no.: 100031283
- Mfr. No.: 25622
- Finish: Black
- Model: 19,22,23,26,32,35,34,31,33,17,27
- Style: Kit
- Weapon type: Glock
- Delivery weight: 0.045kg
- Shipping height: 38mm
- Shipping width: 76mm
- Shipping length: 114mm
- UPC: 815854025242

## Item details

Made in USA  
US export classification: 0A501.c

# Safety Instruction Guide for POLYMER DAT TRIGGER KITS OVERWATCH PRECISION POLYMER DAT TRIGGER KIT

## Introduction

Thank you for choosing the POLYMER DAT TRIGGER KIT from Overwatch Precision. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your new trigger kit. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that all safety instructions are followed to prevent accidents and injuries.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Store this product and all firearms in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- This trigger kit is designed for use with Gen1 through Gen4 Glock® pistols only. Do not attempt to install it on Gen5 or G19X models.
- Ensure the firearm is unloaded before beginning installation.
- Handle all firearm components with care to avoid injury.
- If you are unfamiliar with firearm modifications, seek assistance from a qualified gunsmith.
- Do not exceed the recommended specifications for your firearm to maintain safety and performance.
- Be aware of your surroundings when handling firearms and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your Glock® pistol is completely unloaded.
- Gather necessary tools, including a punch tool and a small hammer.

### 2. Installation Steps

- Remove the factory trigger shoe and safety lever from your Glock®.
- Install the solidbody, molded hardpolymer trigger shoe onto the trigger bar.
- Attach the safety lever to the new trigger shoe, ensuring it is securely in place.
- Test the trigger to ensure proper function before reassembling your firearm.

### 3. PostInstallation

- After installation, conduct a function check to ensure the trigger operates correctly.
- Confirm that the trigger pull is smooth and that the safety functions properly.

### 4. Usage Guidelines

- Use the trigger in accordance with your local laws and regulations.
- Practice safe shooting habits, including proper grip and trigger discipline.

- Regularly clean and maintain your firearm and trigger kit for optimal performance.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the trigger kit becomes damaged or is no longer in use, follow local guidelines for the safe disposal of firearm components.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the contact information provided with your product packaging or visit the manufacturer's website for more resources.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the POLYMER DAT TRIGGER KIT from Overwatch Precision. Stay safe!
