Safety Instruction Guide for CUSTOM GRADE FULL LENGTH RIFLE SIZING DIES 28 NOSLER FULL LENGTH DIE

Introduction

Thank you for choosing the Hornady Custom Grade Full Length Sizing Die for your reloading needs. This guide is designed to provide you with essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the die.

General Safety Guidelines

- Always ensure that you are using the die in accordance with the manufacturer's instructions.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Inspect the die regularly for signs of wear or damage. If any issues are found, discontinue use immediately.
- Use personal protective equipment (PPE) such as safety glasses and gloves while reloading.
- Ensure that your reloading area is wellventilated and free from flammable materials.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only with the specified cartridge: 28 Nosler.
- Ensure that the die is properly secured in your reloading press before use.
- Avoid using excessive force when adjusting the die to prevent damage.
- Always doublecheck your measurements and adjustments before starting the reloading process.
- Do not exceed the recommended load limits for the cartridges you are reloading.
- Avoid distractions while using the die to maintain focus and safety.
- Store the die in a dry, cool place when not in use to prevent corrosion and damage.

Instructions for Installation and Usage

1. Installation:

- Secure the die in your reloading press according to the manufacturer's instructions.
- Ensure that all components of the press are properly aligned and tightened.

2. Usage:

- Prepare your brass cases by cleaning and inspecting them prior to resizing.
- Adjust the die according to the specifications for the 28 Nosler cartridge.
- Insert the brass case into the die and operate the press to resize the case.
- Remove the resized case and inspect it for any defects.
- Repeat the process for all cases you intend to reload.

Disposal Instructions

- Dispose of any damaged or worn dies in accordance with local regulations.
- Do not dispose of any reloading components in regular household waste. Check for local recycling options or hazardous waste disposal sites.

Contact Information for Further Support

For any questions or concerns regarding the use of the Hornady Custom Grade Full Length Sizing Die, please refer to the manufacturer's website or customer service for assistance.

Thank you for following these safety instructions. Your careful attention to these guidelines will help ensure a safe and enjoyable reloading experience.
