Safety Instruction Guide for CUSTOM GRADE FULL LENGTH RIFLE SIZING DIES 280 ACKLEY IMPROVED FULL LENGTH DIE

Introduction

Thank you for choosing the Hornady Custom Grade Full Length Sizing Die for your reloading needs. This guide is designed to help you use the product safely and effectively while complying with the EU General Product Safety Regulation (GPSR). Please read through this document carefully to ensure safe operation and maintenance.

General Safety Guidelines

- Always handle the sizing die with care and respect, as it is a precision tool.
- Ensure that you are familiar with the reloading process and the specific requirements for the 280 Ackley Improved cartridge.
- Keep the die out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage before use.
- If the die appears damaged or malfunctioning, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Use the sizing die only for its intended purpose: resizing 280 Ackley Improved cartridges.
- Always wear appropriate safety gear, including safety glasses, when reloading.
- Ensure that your reloading workspace is welllit and organized to prevent accidents.
- Do not force the die if it does not operate smoothly; check for obstructions or misalignment.
- Keep your hands and body clear of the die's moving parts during operation.
- Store the die in a secure location when not in use to prevent accidental injury.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted on a stable surface.
- Insert the sizing die into the press according to the manufacturer's instructions.
- Tighten the die securely, but do not overtighten, as this may cause damage.

2. Usage:

- Prepare the cartridge cases by cleaning and inspecting them for damage.
- Adjust the die according to the specific requirements for the 280 Ackley Improved cartridge.
- Place the cartridge case into the shell holder of the press.
- Operate the press to resize the cartridge case, ensuring smooth and even pressure.
- After resizing, inspect the cartridge case for proper dimensions and any signs of damage.

Disposal Instructions

- Dispose of any damaged or worn components of the die according to local regulations.
- Do not dispose of the die in regular household waste; check for local recycling or hazardous waste programs.
- Ensure that all packaging materials are disposed of responsibly, following recycling guidelines.

Contact Information for Further Support

For any safety inquiries or support regarding the use of the Hornady Custom Grade Full Length Sizing Die, please contact your local dealer or the manufacturer directly. Ensure you provide details of your inquiry to receive the most accurate assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the Hornady Custom Grade Full Length Sizing Die. Always prioritize safety and compliance with regulations to protect yourself and others.
