CUSTOM GRADE FULL LENGTH RIFLE SIZING DIES

338 LAPUA MAGNUM FULL LENGTH DIE Safety Instruction Guide

Introduction

Thank you for choosing the Hornady Custom Grade Full Length Sizing Die for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die to avoid potential hazards and ensure compliance with safety regulations.

General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines for use.
- Ensure that the die is suitable for the specific cartridge type (338 Lapua Magnum).
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Inspect the die for any signs of damage or wear before each use.
- Use appropriate personal protective equipment (PPE), including safety glasses and gloves, when reloading.
- Be aware of your surroundings and ensure that you are in a safe environment when reloading.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended load specifications provided by the manufacturer.
- Ensure that your reloading area is wellventilated to avoid inhaling any harmful substances.
- Never point the die or any firearm at yourself or others during use.
- Always verify that the die is securely mounted before beginning the reloading process.
- Avoid distractions while reloading to maintain focus and prevent accidents.
- Store the die in a safe, dry place when not in use to prevent rust or damage.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary reloading components, including brass cases, primers, powder, and bullets.
- Ensure that your work area is clean and organized.

2. Installation:

- Secure the die in the reloading press according to the manufacturer's instructions.
- Adjust the die to the desired depth for sizing the cartridge.

3. Usage:

- Insert the brass case into the shell holder of the press.
- Pull the handle to raise the ram and size the brass case using the die.
- Inspect the sized case for proper dimensions and any signs of damage.
- Repeat the process for each case you intend to reload.

4. PostUse:

- Clean the die after use to remove any residue or debris.
- Store the die in its original packaging or a designated storage container.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local waste disposal regulations.
- Do not throw the die or any reloading components in regular household trash.
- Check with local authorities for proper disposal methods of hazardous materials.

Contact Information for Further Support

For further assistance or inquiries regarding the Hornady Custom Grade Full Length Sizing Die, please refer to the manufacturer's contact details provided with the product packaging or on the official website.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your Hornady Custom Grade Full Length Sizing Die. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
