# **CUSTOM GRADE FULL LENGTH RIFLE SIZING DIES**

## **6.5MM CREEDMOOR FULL LENGTH DIE Safety Instruction Guide**

### **Introduction**

Thank you for choosing the Hornady Custom Grade Full Length Sizing Die for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your die. Please read this guide thoroughly before use to familiarize yourself with safety precautions and proper handling techniques.

### **General Safety Guidelines**

- Ensure that you are of legal age and have the necessary knowledge and experience to handle reloading equipment.
- Always use the die in a wellventilated area to avoid inhaling any dust or particles.
- Keep the die and all reloading components out of reach of children and unauthorized persons.
- Regularly inspect your die for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.

### **Specific Safety Precautions for Use**

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when reloading.
- Do not exceed the recommended load specifications provided by the manufacturer.
- Ensure that your work area is clean and organized to prevent accidents and distractions.
- Never use the die for any purpose other than its intended use.
- Be cautious of sharp edges on the die and handle it with care to avoid injury.

### **Instructions for Installation and Usage**

#### **1. Installation:**

- Ensure that your reloading press is securely mounted and stable.
- Select the appropriate shell holder for the 6.5mm Creedmoor cartridge.
- Insert the Custom Grade Full Length Sizing Die into the reloading press and tighten securely.
- Adjust the die according to the manufacturer's instructions to achieve the desired sizing.

#### **2. Usage:**

- Begin by preparing your brass cases by cleaning and inspecting them for any damage.
- Insert the brass case into the shell holder and raise the ram to engage the die.
- Slowly lower the ram to size the case, ensuring smooth operation throughout the process.
- After sizing, remove the case and inspect it for proper dimensions and any signs of damage.
- Repeat the process for each case, ensuring consistent results.

### **Disposal Instructions**

- Dispose of any used or damaged components in accordance with local regulations.
- Do not discard used brass cases in regular waste; instead, recycle them where possible.
- Ensure that any hazardous materials are disposed of at designated facilities.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the Hornady Custom Grade Full Length Sizing Die, please contact your local Hornady representative or visit the official Hornady website for additional resources and support.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with your Hornady Custom Grade Full Length Sizing Die. Always prioritize safety and adhere to the guidelines provided to protect yourself and others while using this product. Thank you for your commitment to safe reloading practices.
