Safety Instruction Guide for CUSTOM GRADE FULL LENGTH RIFLE SIZING DIES 6.5MM GRENDAL FULL LENGTH DIE

Introduction

Thank you for choosing the Hornady Custom Grade Full Length Sizing Die for your reloading needs. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read and follow these guidelines carefully to minimize risks and maximize your reloading experience.

General Safety Guidelines

- Always treat the die as if it is loaded and handle it with care.
- Keep the die out of reach of children and unauthorized users.
- Use the die only for its intended purpose, which is to resize 6.5mm Grendel cartridges.
- Inspect the die for any visible damage or wear before each use.
- Wear appropriate safety gear, such as eye protection and gloves, when handling reloading equipment.
- Store the die in a secure location to prevent unauthorized access.

Specific Safety Precautions for Use

- Ensure the die is compatible with your reloading press before use.
- Do not attempt to modify the die in any way, as this may compromise its safety and functionality.
- Follow the manufacturer's instructions for setup and operation to avoid accidents.
- Avoid distractions while reloading to ensure focus and attention to detail.
- Keep the work area clean and organized to prevent accidental spills or misfires.
- In case of malfunction or if you notice any unusual behavior during use, cease operation immediately and consult the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the die into the press following the manufacturer's guidelines.
- Tighten the die securely but do not overtighten, as this may damage the die or press.

2. Usage:

- Prepare your workspace by gathering all necessary reloading components and tools.
- Adjust the die according to the specifications for 6.5mm Grendel cartridges.
- Follow the reloading procedure as outlined in your reloading manual: Resize the cartridge case using the die. Check the dimensions of the resized case for accuracy. Proceed with priming, charging, and bullet seating as per standard reloading practices.
- After use, clean the die to remove any debris or residue.

Disposal Instructions

- Dispose of any unused or damaged cartridges and reloading components according to local regulations.
- Do not throw the die in regular trash; check with your local waste management for proper disposal methods.
- Ensure that all tools and equipment are stored safely after use to prevent accidents.

Contact Information for Further Support

For questions or concerns regarding the Hornady Custom Grade Full Length Sizing Die, please refer to the manufacturer's contact information provided with the product packaging or visit their official website for support resources.

Please remember that safety is paramount. By adhering to these guidelines, you can ensure a safe and productive reloading experience. Always stay informed of any updates or recalls related to your product by checking the EU's Safety Gate platform. Thank you for your attention to safety!
