Safety Instruction Guide for CUSTOM GRADE FULL LENGTH RIFLE SIZING DIES 6.5MM06 ASQUARE FULL LENGTH DIE

Introduction

Thank you for choosing the Hornady Custom Grade Full Length Sizing Die. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the die.

General Safety Guidelines

- Ensure that you read and understand all instructions before operating the die.
- Keep the die out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye protection, when reloading ammunition.
- Use the die only for its intended purpose and with compatible cartridges.
- Regularly inspect the die for signs of wear or damage before each use.
- Always follow local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- Handle the die with care to avoid personal injury and damage to the product.
- Ensure that the die is securely mounted in the reloading press before use.
- Avoid excessive force when making adjustments to the die to prevent damage.
- Do not use the die if it is damaged or if any components are missing.
- Store the die in a dry and secure location when not in use.
- Be aware of the potential hazards associated with reloading, including the risk of accidental discharge.

Instructions for Installation and Usage

1. Installation

- Clean the reloading press and ensure it is free of debris.
- Securely mount the Custom Grade Full Length Sizing Die into the reloading press according to the manufacturer's instructions.
- Adjust the die to the desired setting, ensuring it is properly aligned.

2. Usage

- Prepare your cartridge cases by cleaning and inspecting them for damage.
- Insert the cartridge case into the die and ensure it is seated properly.
- Operate the reloading press to resize the cartridge case using the die.
- After resizing, remove the cartridge case from the die and inspect it for proper sizing.
- Repeat the process for additional cartridge cases as needed.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the die reaches the end of its life cycle, contact local recycling centers for proper disposal methods.

Contact Information for Further Support

For any safety inquiries, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your Hornady Custom Grade Full Length Sizing Die. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these important safety measures.
