# **CUSTOM GRADE FULL LENGTH RIFLE SIZING DIES**

## **7.5MMX55 SWISS FULL LENGTH DIE Safety**

### **Instruction Guide**

#### **Introduction**

Thank you for choosing the Hornady Custom Grade Full Length Sizing Die. This product is designed for precision reloading and is crafted to ensure safety and durability. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

#### **General Safety Guidelines**

- Always handle the sizing die with care and follow all safety precautions.
- Ensure that you are using the die specifically for the 7.5 x 55 mm Swiss cartridge.
- Keep the die and all reloading components out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

#### **Specific Safety Precautions for Use**

- Use personal protective equipment (PPE) such as safety glasses and gloves while reloading.
- Ensure your workspace is clean, dry, and well-lit to prevent accidents.
- Avoid distractions while using the die to maintain focus and attention.
- Follow the manufacturer's instructions for adjustments to avoid misalignment and potential hazards.
- Do not exceed the recommended load specifications for the 7.5 x 55 mm Swiss cartridge.

#### **Instructions for Installation and Usage**

##### **1. Installation**

- Ensure the reloading press is securely mounted and stable.
- Insert the Custom Grade Full Length Sizing Die into the reloading press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during operation.

##### **2. Usage**

- Set the die to the appropriate depth for the 7.5 x 55 mm Swiss cartridge.
- Lubricate the cartridge cases as per the manufacturer's recommendations to ensure smooth resizing.
- Insert the cartridge case into the die and operate the reloading press to resize the case.
- Remove the resized case and inspect it for any defects or issues.
- Repeat the process for additional cases as needed.

#### **Disposal Instructions**

- Dispose of any damaged or worn-out dies in accordance with local regulations.
- Do not throw the die in regular household waste; check for recycling options or hazardous waste disposal facilities.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please contact the manufacturer or your local distributor. Ensure that you have the product details at hand for quicker support.

Thank you for taking the time to ensure your safety and the safety of others while using the Hornady Custom Grade Full Length Sizing Die. Your careful attention to these guidelines will help you achieve successful and safe reloading.
