Safety Instruction Guide for CUSTOM GRADE FULL LENGTH HANDGUN SIZING DIES 38 SUPER FULL LENGTH DIE

Introduction

Thank you for choosing the Hornady Custom Grade Full Length Sizing Die. This product is designed for precision reloading of 38 Super cartridges. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always wear appropriate protective gear, including safety glasses and gloves, when using reloading equipment.
- Keep your workspace clean and organized to prevent accidents.
- Store all reloading components, including dies, in a secure location away from children and unauthorized users.
- Familiarize yourself with the specific characteristics and handling requirements of 38 Super cartridges.
- Follow all local laws and regulations regarding the reloading of ammunition.

Specific Safety Precautions for Use

- Ensure that the die is compatible with your reloading press and the specific cartridge you are using.
- Inspect the die for any damage or wear before use. Do not use a damaged die.
- Use the die only for its intended purpose. Do not attempt to modify or alter the die.
- Always doublecheck measurements and adjustments before proceeding with reloading.
- Avoid distractions while operating the reloading equipment to maintain focus and precision.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is clean and free of debris.
- Securely attach the Custom Grade Full Length Sizing Die to your reloading press according to the manufacturer's instructions.
- Adjust the die to the desired depth based on the specifications for 38 Super cartridges.

2. Usage:

- Begin the reloading process by following the recommended steps for resizing your cartridges.
- Monitor the operation closely and make adjustments as necessary to maintain accuracy.
- After completing the resizing, inspect each cartridge to ensure it meets safety and quality standards.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away reloading components in regular trash. Instead, follow guidelines for hazardous waste disposal if applicable.
- Recycle packaging materials where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Hornady Custom Grade Full Length Sizing Die, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure a safe and effective reloading experience with your Hornady Custom Grade Full Length Sizing Die. Always prioritize safety and stay informed about best practices in reloading.
