CUSTOM GRADE FULL LENGTH HANDGUN SIZING DIES 45 AUTO FULL LENGTH DIE Safety Instruction Guide

Introduction

Thank you for purchasing the Hornady Custom Grade Full Length Sizing Die for 45 Auto. This guide provides essential safety instructions and guidelines to ensure safe and effective use of this product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for safe operation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If the product is damaged or malfunctioning, cease use immediately and contact the manufacturer.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the sizing die.
- Ensure that the work area is clean, dry, and welllit to avoid accidents.
- Do not exceed the recommended specifications for the die and the cartridge.
- Avoid using the die with any cartridge that is not specified by the manufacturer.
- Keep hands and other body parts clear of moving parts during operation.
- Be cautious of sharp edges on the die; handle with care to prevent cuts or injuries.
- Do not modify the die or use it in ways not intended by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is compatible with the Hornady Custom Grade Full Length Sizing Die.
- Securely mount the die into the press according to the manufacturer's instructions.
- Adjust the die to ensure proper alignment with the shell holder.
- Tighten the locking ring to prevent movement during operation.

2. Usage:

- Prepare your workspace by gathering all necessary materials, including cases, powder, and bullets.
- Set the die to the desired depth for resizing.
- Insert the cartridge case into the shell holder.
- Apply steady pressure to the handle of the reloading press to resize the case.
- Check the resized case for proper dimensions and fit.
- Repeat the process for each case as needed.

3. PostUse Care:

- Clean the die after each use to remove any residue or debris.
- Store the die in a dry and safe location, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the product and any associated materials in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the Hornady Custom Grade Full Length Sizing Die, please refer to the manufacturer's website or contact their customer support for guidance.

Thank you for prioritizing safety while using the Hornady Custom Grade Full Length Sizing Die. Your careful attention to these guidelines will help ensure a safe and successful reloading experience.
