Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 2520 WINCHESTER FULL LENGTH DIE SET

Introduction

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides essential safety instructions to ensure the safe use of this product. Please read this guide carefully before using the die set to minimize risks and enhance your reloading experience.

General Safety Guidelines

- Always follow the manufacturer's instructions and recommendations.
- Ensure that you are familiar with the reloading process and the specific requirements for the 2520 Winchester cartridge.
- Store the die set in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Use the die set only for its intended purpose; do not modify it in any way.
- Keep your workspace clean and organized to prevent accidents during reloading.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Ensure that you are in a wellventilated area to avoid inhaling any dust or fumes from the reloading process.
- Be cautious when handling powders and primers; follow all safety guidelines provided by the manufacturers of these components.
- Avoid distractions while reloading; focus on the task at hand to prevent mistakes.
- Keep a fire extinguisher nearby when reloading, as ammunition components can be flammable.
- If you experience any malfunctions or issues with the die set, stop using it immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. **Prepare Your Workspace:** Ensure your reloading area is clean and welllit.
2. **Gather Required Tools:** You will need a reloading press, the Hornady Custom Grade 2Die set, and appropriate tools for adjustments.
3. **Install the Sizing Die:**
 - Securely mount the sizing die into the reloading press.
 - Adjust the die to the correct height for fulllength sizing of the 2520 Winchester cartridge.
4. **Install the Bullet Seating Die:**
 - Mount the bullet seating die into the press.
 - Set the die height according to the bullet specifications you are using.

Usage

1. **FullLength Sizing:**
 - Insert a fired cartridge case into the sizing die.
 - Operate the press to size the case, ensuring smooth operation.
2. **Bullet Seating:**
 - Place a bullet into the case mouth.

- Insert the case into the bullet seating die.
- Operate the press to seat the bullet to the desired depth.

3. Final Check:

- Inspect each loaded cartridge for proper seating and overall quality.
- Store completed ammunition safely and securely.

Disposal Instructions

- Dispose of any unused or damaged components according to local regulations.
- Do not throw away hazardous materials in regular trash. Consult local waste management guidelines for proper disposal methods.
- Ensure that all packaging materials are recycled or disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the use of the Hornady Custom Grade 2Die set, please refer to the manufacturer's website or customer support for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with your Hornady Custom Grade 2Die set. Always prioritize safety and adhere to the guidelines provided to minimize risks associated with reloading. Thank you for choosing our product, and happy reloading!
