# **Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 280 ACKLEY IMPROVED FULL LENGTH DIE SET**

## **Introduction**

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die set. Please read this document carefully and keep it for future reference.

## **General Safety Guidelines**

- Ensure that you are familiar with the safe handling and use of firearms and ammunition.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading.
- Keep your reloading area clean and organized to prevent accidents.
- Store all reloading components, including dies, in a secure location away from children and unauthorized users.
- Regularly inspect your die set for any signs of wear or damage before use.
- Follow all manufacturer instructions and guidelines for your specific equipment.

## **Specific Safety Precautions for Use**

- Always doublecheck that the die set is compatible with the 280 Ackley Improved cartridge before use.
- Do not attempt to modify or alter the die set in any way, as this can lead to malfunction and accidents.
- When resizing or seating bullets, ensure that the press is securely mounted and stable.
- Avoid distractions while reloading, and do not rush the process.
- Be aware of the potential hazards associated with gunpowder and primers; handle them with care and follow safety protocols.
- Keep a fire extinguisher nearby in case of emergencies.

## **Instructions for Installation and Usage**

### **1. Installation of the Die Set:**

- Start with a clean reloading press.
- Install the fulllength sizing die into the press according to the manufacturer's instructions.
- Secure the die tightly to prevent movement during use.
- Install the bullet seating die in the same manner.

### **2. Using the FullLength Sizing Die:**

- Ensure the press is in a safe position and load a case into the shell holder.
- Pull the handle to size the case fully, ensuring it meets specifications.
- Inspect the sized case for any defects.

### **3. Using the Bullet Seating Die:**

- Adjust the die to the desired bullet seating depth.
- Insert a bullet into the case mouth and position it in the shell holder.
- Pull the handle to seat the bullet, ensuring it is seated to the correct depth.
- Inspect the completed cartridge for quality and consistency.

#### 4. Final Checks:

- After reloading, inspect all cartridges for proper seating and overall quality.
- Store completed cartridges in a secure and labeled container.

## Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not throw away live ammunition or reloading components in regular trash.
- Contact local authorities or waste management services for proper disposal methods of hazardous materials.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's customer service resources. Ensure that you have the product details and any relevant information on hand for efficient assistance.

By following these guidelines, you can ensure a safe and enjoyable reloading experience with your Hornady Custom Grade 2Die set. Always prioritize safety and take the necessary precautions to protect yourself and others.
