# Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 338 LAPUA MAGNUM FULL LENGTH DIE SET

## Introduction

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this manual carefully before use.

## General Safety Guidelines

- Always handle reloading equipment with care and follow all safety instructions.
- Ensure that the workspace is clean, organized, and free from distractions.
- Store the die set in a secure place, out of reach of children and pets.
- Use personal protective equipment, such as safety glasses, when operating reloading equipment.
- Familiarize yourself with the specific risks associated with reloading ammunition.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the die set is compatible with the 338 Lapua Magnum cartridge before use.
- Do not modify or alter the die set in any way.
- Always follow the manufacturer's instructions for setup and operation.
- Inspect the die set for any signs of wear or damage before each use.
- Avoid using the die set if it is damaged or malfunctioning.
- Keep hands and other body parts clear of moving parts during operation.
- Use the die set only for its intended purpose; do not use it for any other applications.

## Instructions for Installation and Usage

### 1. Unpacking the Die Set

- Carefully remove the die set from its packaging.
- Inspect all components for damage or defects.

### 2. Setup

- Securely mount the die set in a reloading press according to the manufacturer's instructions.
- Ensure that the sizing die and bullet seating die are properly aligned and tightened.

### 3. Reloading Process

- Follow the specific reloading data for the 338 Lapua Magnum cartridge.
- Use appropriate tools and equipment to measure and adjust powder charges.
- Always start with the minimum recommended powder charge and work up to the desired load.
- Check the seating depth of bullets to ensure they are seated correctly.

### 4. PostUse Care

- Clean the die set after each use to prevent buildup of residue.

- Store the die set in a dry, cool place to avoid corrosion and damage.

## **Disposal Instructions**

- Dispose of any unused or spent components in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your die set, please refer to the manufacturer's website or customer support resources for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for choosing Hornady!
