Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 358 NORMA MAGNUM FULL LENGTH DIE SET

Introduction

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your die set. Please read this document carefully to avoid accidents and ensure compliance with safety regulations.

General Safety Guidelines

- Ensure that the die set is used only for its intended purpose.
- Keep the die set out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses and gloves, when handling reloading equipment.
- Regularly inspect the die set for signs of wear or damage before each use.
- Store the die set in a dry, secure location when not in use.
- Follow all local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- Read the manufacturer's instructions thoroughly before using the die set.
- Ensure that your workspace is clean, organized, and free of distractions.
- Use only compatible cartridges with the die set to prevent malfunctions.
- Avoid overtightening the dies during installation, as this may cause damage.
- Do not modify the die set in any way, as this could compromise safety and functionality.
- Be aware of the potential hazards associated with reloading, including the risk of accidental discharge and exposure to lead.

Instructions for Installation and Usage

1. Installation

- Begin by cleaning the die set and ensuring all parts are free from debris.
- Securely mount the sizing die in your reloading press according to the manufacturer's instructions.
- Install the bullet seating die in the same manner, ensuring proper alignment.
- Adjust the dies as needed for your specific cartridge specifications.

2. Usage

- Follow recommended procedures for resizing and seating bullets.
- Use a reliable reloading manual for guidance on powder charges and bullet specifications.
- Always doublecheck your measurements before proceeding with reloading.
- Keep your hands and face clear of the press while operating it.
- If any issues arise during the reloading process, cease operation immediately and inspect the equipment.

Disposal Instructions

- Dispose of any damaged or wornout parts of the die set in accordance with local regulations.
- Recycle materials where possible, following applicable recycling guidelines.

- Do not discard hazardous materials, such as lead, in regular trash. Contact local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries or safety concerns regarding the Hornady Custom Grade 2Die set, please contact the manufacturer directly. Ensure you have your product information on hand for reference.

By following these safety instructions and guidelines, you can enjoy a safe and effective reloading experience with your Hornady Custom Grade 2Die set. Always prioritize safety and compliance with local laws and regulations. Thank you for choosing Hornady.
