Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 416 REMINGTON MAGNUM FULL LENGTH DIE SET

Introduction

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your die set. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before use.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Keep the die set out of reach of children and unauthorized users.
- Store the die set in a safe, dry place when not in use.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from improper handling or operation of reloading equipment.
 - Risk of ammunition malfunction if dies are not used correctly.
- **Avoiding Hazards:**
 - Always follow the manufacturer's instructions for setup and use.
 - Do not exceed recommended loads as specified in reloading manuals.
 - Use only the correct components (brass, bullets, primers, and powder) that are compatible with the 416 Remington Magnum cartridge.
 - Ensure that the workspace is clean and organized to prevent accidents.
 - Never attempt to reload ammunition in a confined or poorly ventilated space.

Instructions for Installation and Usage

1. Setup:

- Carefully unpack the die set and inspect all components for damage.
- Install the full length sizing die into your reloading press according to the manufacturer's instructions.
- Adjust the die to ensure proper alignment with the shell holder.
- Install the bullet seating die following the same procedure.

2. Reloading Process:

- Begin by resizing the brass cases using the full length sizing die.
- Clean the cases thoroughly before reloading.
- Measure and dispense the appropriate amount of powder using a reliable scale.
- Insert the bullet into the case mouth and use the bullet seating die to seat the bullet to the desired depth.
- Inspect each completed round for proper seating and crimping.

3. **PostUse:**

- Clean the die set after each use to prevent residue buildup.
- Store the die set in its original packaging or a dedicated storage case to protect it from damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local waste disposal regulations.
- Do not throw away any reloading components in general waste; instead, follow local guidelines for hazardous waste.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of your Hornady Custom Grade 2Die set, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details handy for a quicker response.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable reloading experience with your Hornady Custom Grade 2Die set. Always prioritize safety and adhere to best practices for ammunition reloading. Thank you for choosing Hornady.
