Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 6.5X52MM CARCANO FULL LENGTH DIE SET

Introduction

Thank you for choosing the Hornady Custom Grade Rifle Full Length Die Set for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide thoroughly before use and keep it for future reference.

General Safety Guidelines

- Ensure that you are familiar with the basic principles of firearm safety and reloading procedures.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling reloading equipment.
- Keep the reloading area clean and organized to prevent accidents.
- Store all reloading materials, including dies, primers, and powders, in a secure and dry location away from children and unauthorized individuals.
- Do not exceed recommended loads as specified in reputable reloading manuals.
- Regularly inspect your reloading equipment for wear and damage. Replace any damaged components immediately.

Specific Safety Precautions for Use

- Always ensure that the die set is compatible with the specific cartridge you are reloading (in this case, 6.5 x 52 mm Mannlicher Carcano).
- Follow the manufacturer's instructions carefully during setup and use.
- Use the sizing die for resizing cases before loading. Ensure that the die is properly adjusted for your specific cartridge.
- Use the bullet seating die to seat bullets to the recommended overall length for your specific load.
- Do not attempt to modify or alter the die set in any way, as this may lead to malfunction or unsafe conditions.
- Keep fingers and hands clear of all moving parts during operation.

Instructions for Installation and Usage

1. Setup:

- Securely mount the die set in a reloading press according to the manufacturer's instructions.
- Ensure that the press is stable and properly anchored to prevent movement during operation.

2. Using the Sizing Die:

- Insert an empty cartridge case into the sizing die.
- Pull the handle of the press to resize the case.
- Remove the resized case and inspect it for any defects.

3. Using the Bullet Seating Die:

- After charging the resized case with powder, insert the bullet into the mouth of the case.
- Place the case with the bullet into the bullet seating die.
- Pull the handle of the press to seat the bullet to the desired depth.

- Remove the finished round and inspect for proper seating.

4. Cleaning and Maintenance:

- After use, clean the die set with a soft cloth to remove any residue.
- Store the die set in a protective case to prevent damage.

Disposal Instructions

- Dispose of any damaged or unusable reloading materials according to local regulations.
- Do not dispose of reloading components in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of your Hornady Custom Grade Rifle Full Length Die Set, please refer to the manufacturer's website or contact their customer support for assistance.

Remember, safety is paramount when reloading ammunition. Follow these guidelines closely to ensure a safe and enjoyable reloading experience. Thank you for your attention to these important safety instructions.
