# Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 6MM BR FULL LENGTH DIE SET

## Introduction

Thank you for choosing the Hornady Custom Grade 2Die set. This guide provides important safety instructions and usage guidelines to ensure safe and effective reloading. Please read this document thoroughly before using the product.

## General Safety Guidelines

- Ensure that the die set is used only for its intended purpose, which is reloading 6mm BR cartridges.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Keep the reloading area clean and organized to prevent accidents.
- Store the die set in a secure location, out of reach of children and unauthorized users.
- Familiarize yourself with the reloading procedure and follow all manufacturer instructions.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper handling of reloading equipment can lead to serious injuries or accidents.
  - Always handle ammunition and components with care to avoid accidental discharge.
- **Avoiding Hazards:**
  - Do not exceed recommended loads as specified by reliable reloading manuals.
  - Inspect all components for damage before use. Do not use damaged or defective parts.
  - Keep fingers and other body parts clear of the die during operation.
  - Use the die set in a wellventilated area to avoid inhaling any dust or particles.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure that your reloading press is securely mounted to a stable surface.
  2. Attach the fulllength sizing die to the press according to the manufacturer's instructions.
  3. Insert the bullet seating die into the press following the same guidelines.
  4. Adjust the dies as needed for your specific reloading requirements.
- **Usage:**
  1. Begin by sizing the brass cases with the fulllength sizing die.
  2. After sizing, check the dimensions of the cases to ensure they meet specifications.
  3. Proceed to seat the bullets using the bullet seating die. Adjust the seating depth as necessary.
  4. After reloading, inspect each cartridge for proper assembly and defects.
  5. Store reloaded ammunition in a safe and organized manner.

## Disposal Instructions

- Dispose of any damaged or unusable components according to local regulations.
- Do not dispose of live ammunition in regular trash. Contact local authorities for proper disposal instructions.

- Recycle metal components when possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries or support regarding the Hornady Custom Grade 2Die set, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your Hornady Custom Grade 2Die set. Always prioritize safety and adhere to best practices in ammunition reloading.
