# Safety Instructions for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 6MM284 WINCHESTER FULL LENGTH DIE SET

## Introduction

Thank you for choosing the Hornady Custom Grade 2Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die set. Please read this manual thoroughly before using the product.

## General Safety Guidelines

- Ensure that the die set is used only for its intended purpose, which is reloading 6mm284 Winchester cartridges.
- Always follow the manufacturer's instructions and recommendations for use.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect the die set for any damage or defects before each use. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while reloading.
- Store the die set in a dry, secure location when not in use to prevent damage and unauthorized access.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury from improper handling and operation.
  - Risk of malfunction or damage if the die set is not used correctly.
- **Avoiding Hazards:**
  - Always ensure that the reloading area is clean and free from distractions.
  - Do not exceed recommended loads as specified in reliable reloading manuals.
  - Use proper tools and equipment when adjusting or operating the die set.
  - Do not attempt to modify the die set in any way.
  - Ensure that the ammunition produced is stored safely and responsibly.

## Instructions for Installation and Usage

- **Installation:**
  1. Securely mount the die set in a reloading press according to the manufacturer's instructions.
  2. Ensure that the sizing die is adjusted properly for the specific cartridge.
  3. Check that the bullet seating die is set to the correct depth for the bullets being used.
- **Usage:**
  1. Begin by preparing your brass cases according to standard reloading practices.
  2. Use the sizing die to resize the brass cases to the correct dimensions.
  3. Follow with the bullet seating die to properly seat the bullets into the cases.
  4. Regularly check the dimensions of the completed cartridges to ensure consistency and safety.
  5. After use, clean the die set to remove any debris or residue.

## Disposal Instructions

- Dispose of any unused or damaged components of the die set in accordance with local regulations.
- Ensure that all materials used in the reloading process are disposed of safely and responsibly.

- Recycle packaging materials whenever possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your Hornady Custom Grade 2Die Set, please refer to the manufacturer's website or customer service resources for assistance.

Thank you for prioritizing safety while using your reloading equipment.
