# Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 7.5X55MM SWISS FULL LENGTH DIE SET

## Introduction

Thank you for choosing the Hornady Custom Grade Rifle Full Length Die Set. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully to understand the necessary precautions and procedures.

## General Safety Guidelines

- Ensure that all reloading activities are conducted in a wellventilated area.
- Always wear appropriate safety gear, including safety glasses and hearing protection.
- Keep all reloading components, including powder and primers, out of reach of children and pets.
- Store your die set and all reloading materials in a secure location.
- Do not use the die set for any purpose other than its intended use.
- Regularly inspect your die set for signs of wear or damage. Replace any damaged components immediately.

## Specific Safety Precautions for Use

- Handle all components with care to prevent accidental discharge.
- Follow the manufacturer's instructions for the specific cartridge and bullet you are using.
- Ensure that the work area is free from distractions and clutter.
- Never exceed the recommended load data for the cartridge you are reloading.
- Be aware of the potential hazards associated with reloading, including the risk of fire and explosion.
- Always doublecheck your measurements and settings before proceeding with reloading.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted to a stable work surface.
- Attach the full length sizing die to your reloading press according to the manufacturer's instructions.
- Adjust the die to the appropriate height for your specific cartridge.

### 2. Usage:

- Begin by resizing the brass cases using the full length sizing die.
- Follow the manufacturer's guidelines for adjusting the die settings for proper sizing.
- After resizing, use the bullet seating die to seat the bullets to the desired depth.
- Always check the overall length of the loaded cartridge with a caliper to ensure it meets specifications.
- Store completed ammunition in a safe and organized manner.

## Disposal Instructions

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Do not dispose of hazardous materials in regular household waste.
- Contact local waste management authorities for guidance on the proper disposal of hazardous materials

related to reloading.

## Contact Information for Further Support

For further assistance or inquiries regarding safety and usage, please refer to the manufacturer's contact details provided with your product packaging. It is important to consult with professionals for any specific questions or concerns you may have.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your Hornady Custom Grade Rifle Full Length Die Set. Always prioritize safety and consult the relevant resources when needed.
