Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 5.7X28MM FN FULL LENGTH DIE SET

Introduction

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die set. Please read this document carefully before use.

General Safety Guidelines

- Ensure that you are familiar with the handling and operation of reloading equipment and ammunition.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Keep your workspace clean and organized to prevent accidental spills or misfires.
- Store all reloading components, including dies, in a secure location away from children and unauthorized users.
- Regularly inspect your die set for signs of wear or damage before each use.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper use of the die set can lead to accidents such as misfires or injuries. Ensure that the die set is compatible with the specific cartridge (5.7 x 28 mm) you are using.
- **Avoiding Hazards:** Do not exceed recommended load limits when reloading ammunition. Always doublecheck measurements and adjustments before starting the reloading process. Keep fingers and tools clear of the die during operation to prevent injury.
- **Age Restrictions:** This product is intended for use by adults and should not be used by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Attach the fulllength sizing die to the press according to the manufacturer's instructions.
- Secure the bullet seating die in the press, ensuring it is properly aligned.

2. Usage:

- Begin with the fulllength sizing die to resize your brass cases.
- Adjust the die according to your specific reloading needs, following the die's adjustment instructions.
- After resizing, use the bullet seating die to properly seat bullets into the cases.
- Regularly check the alignment and settings to ensure consistency and safety during the reloading process.

3. PostUse:

- Clean the die set after each use to maintain optimal performance.
- Store the dies in a dry, cool place to prevent rust and damage.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of ammunition or reloading components in regular household waste.
- Contact local authorities for guidance on safe disposal methods for hazardous materials.

Contact Information for Further Support

For any safety inquiries or assistance regarding the Hornady Custom Grade 2Die set, please reach out to your local retailer or manufacturer. Ensure you have the product details available for accurate support.

By following these guidelines, you can ensure a safer reloading experience with your Hornady Custom Grade 2Die set. Always prioritize safety and proper handling techniques to enjoy your reloading hobby responsibly.
