CUSTOM GRADE HANDGUN 3DIE SET SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Hornady Custom Grade Handgun 3Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your reloading dies. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the basic principles of reloading ammunition before using this product.
- Always handle reloading equipment with care, as improper use can lead to accidents or injuries.
- Keep the dies and all reloading materials out of the reach of children and unauthorized users.
- Always wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Store the dies in a safe and dry location to prevent damage and maintain functionality.
- Regularly inspect the dies for any signs of wear or damage before each use.

Specific Safety Precautions for Use

- **Cartridge Compatibility:** Only use the Custom Grade 3Die Set with .44 Auto Magnum cartridges to avoid malfunctions or accidents.
- **Use in a WellVentilated Area:** Always reload in a wellventilated space to minimize exposure to any dust or fumes from reloading materials.
- **Avoid Distractions:** Focus on the reloading process and avoid distractions that could lead to mistakes.
- **Follow Manufacturer Instructions:** Always adhere to the manufacturer's instructions for use and maintenance to ensure safe operation.
- **Check for Obstructions:** Before using the dies, ensure that there are no obstructions in the die openings that could affect performance.

Instructions for Installation and Usage

1. Setup:

- Secure the reloading press to a stable work surface.
- Ensure that the press is clean and free from debris.

2. Installing the Dies:

- Start by installing the fulllength sizer die into the press. Tighten securely.
- Follow with the expander die, ensuring it is also tightened properly.
- Finally, install the bullet seater die with the builtin crimp, ensuring it is adjusted to the desired bullet seating depth.

3. Reloading Process:

- Begin the reloading process by resizing the cartridge cases using the fulllength sizer die.
- Use the expander die to expand the case mouth for bullet insertion.
- Insert the bullet into the case and use the bullet seater die to seat the bullet to the correct depth, applying the crimp as needed.

4. PostUse Maintenance:

- After use, clean the dies with a soft cloth to remove any residue.
- Store the dies in their original packaging or a suitable container to prevent damage.

Disposal Instructions

- Dispose of any unused or unwanted reloading materials in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact your local waste management authority for guidance on the proper disposal of hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Hornady Custom Grade Handgun 3Die Set, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety in your reloading practices. Enjoy your reloading experience with the Hornady Custom Grade Handgun 3Die Set.
