Safety Instruction Guide for CUSTOM GRADE HANDGUN 3DIE SETS 50 ACTION EXPRESS 3DIE SET

Introduction

Thank you for choosing the Hornady Custom Grade 3Die Set for 50 Action Express. This guide provides important safety instructions and guidelines to ensure safe and effective use of this product. Please read this document carefully before using the die set.

General Safety Guidelines

- Ensure that you are familiar with the reloading process and have the necessary experience before using this die set.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Store the die set in a cool, dry place away from direct sunlight and moisture to prevent damage.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect the die set for signs of wear or damage. If any parts are damaged, discontinue use immediately.
- Report any unsafe conditions or incidents related to this product to the appropriate authorities.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for the reloading process.
- Use only the recommended components (such as powder, primers, and bullets) that are compatible with the 50 Action Express cartridge.
- Do not exceed the recommended load limits specified in reliable reloading manuals.
- Ensure that the work area is free from distractions and clutter while reloading.
- Avoid using the die set if you are under the influence of drugs or alcohol.
- Use the die set only for its intended purpose - reloading 50 Action Express cartridges.

Instructions for Installation and Usage

1. Setup:

- Ensure that your reloading press is securely mounted to a stable work surface.
- Gather all necessary components, including the die set, reloading press, and materials.

2. Installing the Dies:

- Start with the fulllength sizer die.
- Unscrew the die lock ring and insert the die into the press.
- Tighten the lock ring to secure the die in place.
- Repeat the process for the expander die and bullet seater die.

3. Reloading Process:

- Begin by resizing the cartridge case using the fulllength sizer die.
- After resizing, use the expander die to expand the case mouth for bullet seating.
- Finally, use the bullet seater die to seat the bullet to the desired depth, ensuring to apply the builtin crimp as needed.

4. PostReloading:

- Inspect each cartridge for defects or irregularities before use.
- Store reloaded cartridges in a safe and organized manner.

Disposal Instructions

- Dispose of any unused or improperly stored reloading materials in accordance with local regulations.
- Follow local laws regarding the disposal of ammunition components and reloading supplies.
- Do not dispose of reloading materials in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Hornady Custom Grade 3Die Set, please reach out to your local retailer or consult the manufacturer's website for additional support and resources.

By adhering to the safety guidelines outlined in this document, you can ensure a safe and enjoyable reloading experience. Thank you for your commitment to safety and responsible reloading practices.
