# LOCKNLOAD HEADSPACE BUSHINGS Safety Instruction Guide

## Introduction

Thank you for choosing the Hornady LockNLoad Headspace Bushing. This product is designed to help you measure the headspace of your brass cases accurately, ensuring a proper fit with your rifle chamber. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the LockNLoad Headspace Bushing in accordance with the manufacturer's instructions.
- Ensure that the product is used in a welllit and clean environment to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bushing for signs of wear or damage before each use.
- If you encounter any issues or if the product appears damaged, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

- Use the bushing only with compatible calipers and comparator bodies as specified by the manufacturer.
- Do not exceed the recommended pressure or force when measuring or resizing brass.
- Avoid using the bushing in wet or damp conditions to prevent corrosion or malfunction.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using this product.
- Be cautious when handling brass cases, as they may have sharp edges.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your calipers are clean and free from debris before installation.
- Attach the LockNLoad Headspace Bushing to the comparator body securely using the thumb screw.
- Verify that the bushing is properly seated and aligned before proceeding.

### 2. Usage

- Place the brass case in the appropriate position for measurement.
- Gently close the calipers until they make contact with the case head and the datum line on the case shoulder.
- Record the measurement displayed on the calipers.
- If resizing, follow the manufacturer's guidelines for adjusting your resizing die based on the measured headspace.

## Disposal Instructions

- Dispose of the LockNLoad Headspace Bushing in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- If the product is no longer usable, consider recycling components where possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the LockNLoad Headspace Bushing, please refer to the manufacturer's contact information provided with the product or on the official website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the Hornady LockNLoad Headspace Bushing. Always prioritize safety and consult professionals if you have any uncertainties regarding the use of this product. Thank you for your attention to these guidelines, and happy reloading!
