ONE SHOT ULTRASONIC CARTRIDGE CASE FORMULA Safety Instruction Guide

Introduction

Thank you for choosing the ONE SHOT ULTRASONIC CARTRIDGE CASE FORMULA. This product is designed to effectively clean brass cartridge cases while ensuring safety during use. This guide provides essential safety instructions and guidelines to help you use the product safely and effectively.

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Do not ingest or apply the product to skin or eyes.
- Use in a wellventilated area to avoid inhaling any vapors.
- Store in a cool, dry place, away from direct sunlight and heat sources.
- Regularly check for any updates on product recalls or safety alerts.

Specific Safety Precautions for Use

- Wear protective gloves and safety goggles when handling the product to prevent skin and eye contact.
- Ensure that the ultrasonic cleaner is properly set up and functioning before use.
- Do not exceed the recommended cleaning times as indicated in the instructions.
- Avoid mixing with other cleaning agents or chemicals unless specified.
- Dispose of any unused product according to local regulations.

Instructions for Installation and Usage

1. Preparation

- Ensure that the ultrasonic cleaner is clean and free from any previous cleaning solutions.
- Fill the ultrasonic cleaner with water as per the manufacturer's instructions.

2. Adding the Product

- Measure the appropriate amount of ONE SHOT ULTRASONIC CARTRIDGE CASE FORMULA based on the volume of water used.
- Pour the formula into the ultrasonic cleaner carefully.

3. Cleaning Process

- Place the brass cartridge cases into the ultrasonic cleaner basket.
- Set the ultrasonic cleaner to the recommended cleaning time and temperature.
- Start the cleaning process and monitor as necessary.

4. PostCleaning

- Once the cleaning cycle is complete, carefully remove the basket from the cleaner.
- Rinse the brass cases thoroughly with clean water to remove any residue of the cleaning solution.
- Dry the cases completely before storage or use.

Disposal Instructions

- Dispose of any leftover cleaning solution in accordance with local waste disposal regulations.
- Do not pour the product down the drain or into the environment.
- Ensure that empty containers are recycled or disposed of properly.

Contact Information for Further Support

For any inquiries or further assistance regarding the ONE SHOT ULTRASONIC CARTRIDGE CASE FORMULA, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with the ONE SHOT ULTRASONIC CARTRIDGE CASE FORMULA. Thank you for prioritizing safety and adhering to these guidelines.
