Safety Instruction Guide for MATCH GRADE RIFLE DIE SETS 6.5X47MM LAPUA BUSHING FULL LENGTH DIE SET

Introduction

Thank you for choosing Hornady's Match Grade Rifle Die Sets. These dies are designed for ultraprecise alignment and matchwinning performance. It is essential to follow safety guidelines to ensure safe usage and optimal performance of the product. This guide provides comprehensive safety instructions in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the product instructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that your workspace is clean, dry, and wellventilated.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Inspect the die set for any damage before use. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Ensure that the die set is compatible with your reloading press.
- Follow the manufacturer's instructions for setting up and using the dies.
- Use only Hornady neck size bushings designed for this die set to avoid compatibility issues.
- Avoid overworking the brass by adhering to the recommended sizing practices.
- Always wear safety glasses to protect your eyes from debris during reloading.
- Do not exceed recommended load limits when using the die set.
- Keep fingers and hands clear of moving parts during operation.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Select the appropriate die from the set:
 - Full Length Bushing Die
 - Seater Die
- Install the Full Length Bushing Die into the press following the manufacturer's instructions.
- Insert the desired neck size bushing into the die, ensuring it is seated properly.
- Tighten the die securely to prevent movement during operation.

2. Usage:

- Prepare your brass cases by cleaning and inspecting them for defects.
- Insert the brass case into the Full Length Bushing Die and lower the press handle to size the case.
- Remove the sized case and check for proper fit and sizing.
- Repeat the sizing process for all cases as needed.
- For seating bullets, install the Seater Die in the press.
- Place the bullet on top of the charged case and lower the press handle to seat the bullet to the desired depth.

- Inspect each completed cartridge for proper seating and overall quality.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not discard in regular household waste if the product contains hazardous materials.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding product safety, please refer to the manufacturer's website or customer support channels. Ensure you have the product details handy for efficient assistance.

By following these guidelines, you can ensure safe and effective use of the Hornady Match Grade Rifle Die Sets. Thank you for your attention to safety and responsible reloading practices.
