

AR-15 ENHANCED BUFFERS CARBINE BLACK - AR-15 ENHANCED BUFFER STEEL BODY CARBINE H4 BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

The Primary Weapons Systems MOD 2 4140 Steel Body Buffers have a unique fluted design with minimum contact points, allowing debris to clear easily, while the FNC LIFE HD treatment chemically bonds in lubrication for smoother cycling. These Enhanced buffers are available in H2, H3, and H4 weights. H2 weighs 4.4oz H3 weighs 5.1oz H4 weighs 6.8oz The H4 buffer is the heaviest buffer offered by PWS, and is intended for suppressed use.

Attributes

- Name: [AR-15 ENHANCED BUFFER STEEL BODY CARBINE H4 BLACK](#)
- Manufacturer: [PRIMARY WEAPONS](#)
- Product no.: 100031928
- Mfr. No.: 5PWCB5W1
- Make: AR-15
- Delivery weight: 0.207kg
- Shipping height: 32mm
- Shipping width: 51mm
- Shipping length: 143mm
- UPC: 811154030818

Item details

Made in USA

US export classification: 0A501.x

Safety Instruction Guide for AR15 Enhanced Buffers Carbine

Introduction

Thank you for choosing the AR15 Enhanced Buffers Carbine. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the buffers.

General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding the use of firearm accessories.
- Always handle the product with care and keep it out of reach of children and unauthorized individuals.
- Inspect the product for any signs of damage or wear before use. Do not use if damaged.
- Follow the manufacturer's instructions for installation and usage to avoid potential hazards.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Weight Considerations:**
 - The H4 buffer is the heaviest option and is designed for suppressed use. Ensure that your firearm is compatible with this weight.
- **Lubrication:**
 - The FNC LIFE HD treatment provides lubrication for smoother cycling. However, ensure that excess lubricant does not accumulate, as it may attract debris.
- **Installation:**
 - Follow the installation instructions carefully to avoid improper fitting, which may lead to malfunctions or accidents.
- **Regular Maintenance:**
 - Regularly clean and maintain your buffers to ensure optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing buffer from the buffer tube.
- Insert the new AR15 Enhanced Buffer into the buffer tube, ensuring it is properly seated.
- Replace the buffer retaining pin and ensure it is secure.
- Verify that the buffer moves freely within the tube.

2. Usage:

- After installation, perform a function check to ensure the buffer operates correctly.
- Use the buffer in accordance with the specifications for your firearm.
- Monitor the performance during use and check for any unusual sounds or malfunctions.

Disposal Instructions

- Dispose of any damaged or worn buffers in accordance with local regulations.
- Do not dispose of buffers in regular household waste. Contact local waste management services for proper disposal methods.

Contact Information for Further Support

For questions or concerns regarding the AR15 Enhanced Buffers Carbine, please refer to the manufacturer's website or customer support resources. Make sure to have your product details on hand for efficient assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
