

# **LIGHT WEIGHT SCOPE MOUNT - TALLEY TIKKA T3 30MM LOW SCOPE MOUNTS**

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## **When Every Ounce Counts; The Strength Of Steel Without The Weight**

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

## **Attributes**

# **LIGHT WEIGHT SCOPE MOUNT TALLEY TIKKA T3 30MM LOW SCOPE MOUNTS Safety Instruction Guide**

## **Introduction**

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT TALLEY TIKKA T3 30MM LOW SCOPE MOUNTS. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this manual carefully before installation and usage.

## **General Safety Guidelines**

- Ensure that the product is suitable for your specific firearm model as listed in the product specifications.
- Always handle firearms and related accessories with care and follow all applicable safety protocols.
- Regularly inspect the scope mount for any signs of wear or damage before each use.
- Store the scope mount in a secure location, away from children and unauthorized users.
- Be aware of your surroundings when using firearms and ensure a clear line of sight before firing.

## **Specific Safety Precautions for Use**

- Do not exceed the manufacturer's recommended weight limit for scopes mounted on this product.
- Ensure that all screws are tightened securely before use to prevent any shifting or slipping of the scope.
- Avoid using the scope mount in extreme weather conditions unless specified as suitable by the manufacturer.
- If you experience any issues with the scope mount during use, cease operation immediately and inspect the mount for damage.
- Always wear appropriate eye protection when using firearms equipped with this mount.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Gather all necessary tools, including a TORX screwdriver.
- Ensure that you have a clean and dry workspace.

### **2. Installation:**

- Begin by removing any existing scope mounts from your firearm.
- Position the LIGHT WEIGHT SCOPE MOUNT on the receiver of your firearm.
- Align the mount with the screw holes on the receiver.
- Insert the TORX screws into the mount and tighten them securely, ensuring that the mount is firmly attached.

### **3. Mounting the Scope:**

- Place your scope into the rings of the mount.
- Adjust the position of the scope to your desired eye relief.
- Secure the scope by tightening the ring caps using the TORX screws. Ensure they are tightened evenly to avoid misalignment.

### **4. Final Checks:**

- Once installed, check that the scope is level and properly aligned.
- Perform a function check of your firearm to ensure that everything operates smoothly.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of this product with household waste.
- Contact your local waste management authority for information on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the LIGHT WEIGHT SCOPE MOUNT TALLEY TIKKA T3 30MM LOW SCOPE MOUNTS, please reach out to the manufacturer's customer support or consult the product documentation for additional information.

This safety instruction guide is designed to help ensure the safe use of your scope mount. By following these guidelines, you can enhance your shooting experience while maintaining safety standards. Thank you for your attention to these important safety measures.
